Jaycees Set '60 Yule Home 'Light Up' Prize Contest

With \$200 in prize money in hand and a three-member committee put in action, the Granite City Junior Chamber of Commerce last night got Christmas Light Up 1959 underway.

For the ninth annual renewal of the Yuletide home outdoor lighting-decorating contest, Donaid Mega was named chairman. He is YMCA boys' division director. His committee aides are Larry Holder and Paul Ziegler. The Illinois Power Co., to give greater impetus to homeowners' Christmas dress-up, is donating the prize money. The utility is co-sponsor of the citywide contest fought to brighten and embellish the area's residential neighborhoods.

Mega said all Granite City householders have to do to enter the Light Up contest and be eligible for one of the cash prizes is to fill out and mail a Home Lighting contest blank to the Jaycees.

Entry blanks will appear in subsequent issues of the Press-Record. A five-member jury will select the best exterior illuminated or named homes sometime during the week beginning Dec. 18.

Call it "Light Up" or "Bright Up," he said, "it will add to the holiday setting and all are urged to enter."

He said his committee aims to increase '60 participation in the Christmas Light up above and beyond that of a year ago.

The C of C (Junior grade) has conducted similar contests over the past years and the results, President Earl Parsons recalled, have been "an outpouring of attractive, magnificent illuminated Christmas outdoor scene pieces, wreathings, ensemble pieces, and truly eye-opening decorations."

Mega said details as to judging and deadline for entries will be given later.

Winn Pleads Innocent To Three Charges

A hearing is scheduled for Dec. 19 in Fairmont City for Steven Winn, 34, of 1912 Harris street, Madison, who was arrested there last week by a state trooper.

Winn pleaded not guilty before Police Magistrate Steve Kokotovich to charges of possession of deadly drugs, possession of a dangerous weapon (a straight razor) and driving on

the wrong side of a highway at Fairmont City.

He remained in the St. Clair county jail at Belleville this morning in lieu of \$2,000 bond. He was booked there last Friday.

State troopers said the drug charge was based on a number of "pills" found in a station wagon Winn was driving. The vehicle belonged to a Granite City man.

Push the community wagon along—don't ride and drag your feet.

Pontoon Corps Revives Victim of Fumes

Administering oxygen, members of the Long Lake Emergency Corps revived a 27-year-old Pontoon Beach resident who was overcome by carbon monoxide fumes about 8:30 p.m. Tuesday when he was watching repair work on an automobile in a closed garage.

Olan Goeller, 3975 Lake street, a millwright at Granite City Steel Co., was rushed to St. Elizabeth Hospital after being revived and he was released after an examination.

Goeller was in his garage watching his brother, Ernest, work on the auto while the motor was running. Olan was overcome and fell to the floor, sustained extensive injuries to his head and neck. He was taken in a 32-foot fall Wednesday afternoon from the roof of a north building ill, and the Emergency Corps was summoned.

Corps members responding to the emergency call were Assist-Jack Henley and Jake Gettleman, Chief Charles Kennerlyman.

Ironworker Injured In 32-Foot Fall From Roof

Frank Parizon, 45, an ironworker of 3201 Edgewood avenue, sustained extensive injuries to his head and neck when he fell from the roof of a north building ill, and the Emergency Corps was summoned.

Corps members responding to the emergency call were Assist-Jack Henley and Jake Gettleman, Chief Charles Kennerlyman.

Steel Co., where building expansion is underway.

Employed by the Kroeger Co., St. Louis, Parizon was working on the rooftop when he apparently slipped and fell, landing on his feet.

Injuries included two broken heels, a broken left wrist along with multiple abrasions and lacerations.

Taken to St. Elizabeth Hospital, his condition was described today as "fair."

Bishop O'Connor

clergy in cassocks and the nuns of the religious sisterhoods.

In his short address following the mass, Bishop O'Connor stressed the fact that co-operation among many individuals and groups and on many levels made possible the wing named in honor of the veteran Granite City practitioner.

He cited the contributions to the building's fund-raising drive, acknowledged in particular the contribution of the federal government and of the Ford Foundation.

Bishop Frances Sisters For the Sisters of Divine Providence, who operate the hospital, he had laudatory words for their work, their intentions and their prayers for the sick, infirm and unfortunate.

Bishop O'Connor took occasion, too, to remark on the expansion of hospital facilities being witnessed in his diocese, and spoke admiringly of the divine and community consciousness of all those who had a part—large or small—in making possible the wing which gives St. Elizabeth's the stature of a major, 200-bed hospital.

He then explained something of the significance and meaning of the liturgical act of blessing the annex with holy water.

During the ritual, he explained, prayers, in Latin, are offered to God, to Jesus Christ, and to the great saints of the church, asking divine intercession and benedictions on the work and purpose of the wing. Five separate prayers are recited, he pointed out.

Following the blessings, there was a dinner for the visiting clergymen.

During the mass and at the onset of the act of blessing, a santine chorus of nuns chanted the prayers and responses.

Made to share in the honors bestowed on all for the wing—and this included the entire sisterhood—were in particular Mother Mary William, provincial superior of the order, Sister M. Stanala, hospital director, and Sisters Mary Margaret, M. Aurelia, M. Frances, Mary Thomas and Mary Paul, of the hospital's governing board.

Special guests of the exercises were nuns from the Pittsburgh house of the Sisters of Divine Providence.

While not all floors of the wing are ready for use and occupancy, it is expected all facilities will be in operation prior to Christmas.

Accident Guilty Plea Taken Under Adversement

Taken under advisement for 30 days by Police Magistrate Gasparovic was a plea of guilty entered yesterday by Miss Eva Lane, 35, of 2823 Indiana avenue, who was charged with leaving the scene of a Nov. 14 accident on a warrant filed by Mrs. Ruth C. Roberts, 3728 Fairview lane.

Miss Lane was freed on \$250 property bond pending a decision on a penalty.

According to police records, Mrs. Roberts reported on the afternoon of Nov. 14 that her auto was struck while it was parked in the 2100 block of State street.

The playground program included handicraft, embroidery, dressmaking, quilting, crocheting, knitting, weaving and gardening.

Athletics, Folk Dances Boys were kept active with woodworking and athletic teams, and some of the players later helped win the state basketball championship for Granite City.

Folk dances, programs and exhibits also were held, many of them for the public.

Miss Prather also organized Sunday school classes for different age groups, maintained a library at the center, stressed sportsmanship and patriotism in all phases of the program and gave unstintingly of her funds and spare time, letters received by the board in recent weeks related.

She came to Granite City from Carlyle, Ill., and is buried at the Wadsworth Cemetery near there. A marker was placed at her grave in 1938 by Dr. Willis Andrews Chapter of the Daughters of the American Revolution, Granite City, of which she was one of the first members.

The vote on the junior high naming was unanimous. Board Member George Babanks opposed the name in a 6-1 vote.

Earlier this fall, the board chose Maryville and Wilson as the names of elementary schools located on Maryville road and Wilson avenue. The two schools were opened in the fall of 1959 and the new junior high was occupied for the first time this September.

work to be done on Fridays and other periods of heavy demand for taxi transportation.

"Drivers agreed to work overtime on a voluntary basis," Stephens disclosed today, "and that was what I wanted from the outset, an agreement to work when business was extraordinarily heavy."

"All my 18 men will be welcomed back to their drivers' seats, and the strike is settled."

"Only those who agree to do overtime work will be so employed, and there will be no compulsion whatsoever to do extra-hour duty," he added.

McDuffy said yesterday that he had anticipated from the outset of the strike that "as far as the drivers were concerned, all matters in controversy could be worked out."

He said that the labor department mediator had been asked to sit in as a final effort to solve the strike.

"We're happy, he's (meaning Stephens) happy, and the strike is settled as far as we are concerned," McDuffy added.

NAACP Branch Will Elect Officers Friday

The annual election of officers will take place during a regular monthly meeting of the National Association for the Advancement of Colored People, Madison branch, will be held at 8 p.m. Friday at the Bethel A.M.E. Church in Madison.

Current NAACP branch president Hugh Hairston said the group also will hear reports from a committee which is planning to meet tomorrow morning with Venice officials to discuss a larger number of Negro policemen on the Venice force and the inclusion of a Negro on the Venice board of police commissioners.

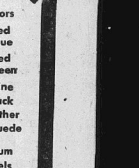

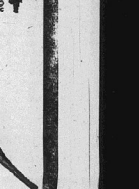

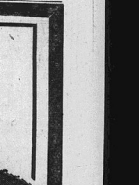

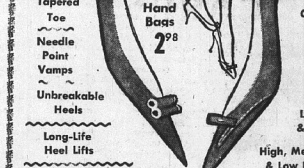

A general discussion of job possibilities for Negroes in this area will also be featured at Friday night's gathering, Hairston added.

Seasonal Music Features Tonight's GCHS Band Concert

Selections from Tchaikovsky's "Nutcracker Suite," rich in its melodic outpourings of music associated with the Yuletide season; "A Christmas Festival" and "The Toy Shop," a fantasy with a holiday theme, will be among the topical highlights of Granite City high school bandmen's Christmas concert tonight.

Under direction of Louis Meek, the 100-member band, which has heard in its fall season's bow at 8 p.m. at the school auditorium. Long a part of the community's Christmas observance to

night's holiday concert's repertoire will not only include seasonal compositions, but a show tune, a march, R. Vaughan Williams' "Pomp and Circumstance" and the well-known "Poet and Peasant" overture.

Miss Sharon Reinhardt will be narrator in Henry Fillmore's "His Honor."

Soloists will be two members of the band, Miss Joan Schumacher, saxophonist, and Miss Janice Cardner, flutist.

The second of the series of four concerts will be held Jan. 15.

Spreader Bought To Combat Ice On Madison Streets

Madison's city council Tuesday night sanctioned the purchase of an \$880 multi-purpose spreader. The unit, mounted on a truck, will be used this winter to spread salt on ice-sheeted and slippery streets and, when necessary, on sidewalks.

First Ward Alderman John Bridick, who offered the motion to buy the spreader, said it could likewise be used to plant grass seed in summer and as a weed killer. It is equipped, he pointed out, to spread weed-killing compounds.

The alderman noted that it might be a long-range saving to the municipality, since it would eliminate much manual salt spreading.

Early Pay For Employees
Mayor Stephen A. Maers and the aldermen had good news for Madison municipal employees. Their last-half December pay checks will be issued on or about Dec. 15.

Early pay day this month will come in handy for Christmas shopping, the mayor observed. During the council session, Mayor Maers reported that all plans, specifications and drawings for the projected widening and resurfacing of Madison avenue are now in the hands of the district highway engineering department at French Village.

Madison Avenue Work Seen
If the divisional office gives its stamp of approval to the plans, he said, they will be forwarded to Springfield for final approval and go-ahead authorization.

Dependent on such action, the mayor said that tentative beginnings on widening the thoroughfare could be expected in January.

This, he intimated, might include resetting of light standards and other poles, and setting out engineering lines and markers for construction crews.

State OK's Seebold Bid For 20th Street

Notification was received here this week of the official award of a contract by the Illinois Division of Highways to A. H. Seebold Truck Service & Excavating Co. for widening and resurfacing East 20th street from Madison avenue to Edwardsville road.

Seebold's bid for the 69 mile of concrete base course and concrete resurfacing was \$249,250. A representative of the firm said when the bid was announced several weeks ago that only preliminary work would be carried out during this fall and winter and major work would begin next spring.

The busy street, which also is U. S. Highway 67, is to be widened to four traffic lanes and a median strip. Parking is to be prohibited. The state also plans to install electric traffic signals at the Edwardsville road intersection.

The project is being financed on a 90-10 basis with the city paying its 10% from motor fuel tax funds.

Purse, \$30, Left On Bus Returned To Owner

A red purse, containing \$30 which had been left on a Community Coach Co. bus Monday, was returned intact Tuesday morning to the owner, Mrs. Cleeta Morgan, 2200 Ohio avenue.

The purse had been found by the driver and turned in at the bus company office where it was recovered by the owner.

Mrs. Morgan, who missed the purse after alighting from West Granite-Stockyards bus at West 22nd street and Bryan avenue, notified police about 3:15 p.m. in an effort to trace the bus.

However, the bus already had left the city for East St. Louis.

Al St. John, official of the bus firm, said the driver had placed the purse and a note in the office and that he received a call from Mrs. Morgan Tuesday morning. She arrived at the office a short time later.

**St. Louis Man, 55,
Collapses On Street**
A St. Louis man, 55, who collapsed at 20th street and Niedringhaus avenue about 2 p.m. yesterday when he suffered an epileptic seizure, was taken by ambulance to St. Elizabeth Hospital.

He was given emergency treatment here and was transferred to a St. Louis hospital, where he previously had been under care.

T. A. Sullivan Being Promoted, Transferred

Thomas A. Sullivan, manager of the local A. O. Smith Corp. auto frame manufacturing plant for the past 4½ years, is being promoted and will be transferred to the firm's Milwaukee headquarters after the first of the year.

Sullivan told the Press-Record yesterday that he has been named director of administration for the A. O. Smith automotive group. In this capacity, he will supervise the operation of the local plant from Milwaukee and expects to make frequent trips here.

His successor to the local post has not yet been named.

Sullivan became manager of the local plant on May 1, 1956, and immediately became active in civic affairs. He will be chairman of last year's United Fund campaign, the first year the drive topped its goal.

This year, he is president of the United Fund board of directors, and said he will continue to hold the office until new directors are elected next February. Sullivan said he will arrange his schedule so as to be present for the annual meeting and election.

The Sullivan family resides at 1636 Clark avenue.

New \$150,000 Motel Is Underway Near Mitchell

Canal Motel, Inc., which last week was issued a charter by Secretary of State Charles F. Carpenter, has under construction a 12-unit, \$150,000 motel and restaurant on U. S. Bypass 66-40, about one-half mile west of U. S. Highway 67, near Mitchell.

Corporation officers are George W. Douglas, president; Robert Douglas, vice-president, and Mrs. Mona Douglas, secretary, all of Granite City.

Robert Douglas, Granite City realtor, said today completion of the new Canal Motel isn't expected prior to late next year. A restaurant will be operated in conjunction with the facilities, he said.

Elks Lodge Memorial Services Set For Sunday

The annual memorial service of BPO Elks Lodge 1063 will be held at 3 p.m. Sunday in the Lodge room, it was announced today by the secretary, W. E. Stone.

Speaker for the services, which will honor all members of the lodge who have died during the past year, will be Rev. Lawrence Mattingly, pastor of St. Elizabeth's Catholic Church. Music will be provided by the Granite City high school vocal chorus.

Fewer Calories In Candy Than In Many Foods

Because candy contains sugar, which is a necessary part of everyone's diet, it is a vital food, and, contrary to popular belief, has substantially fewer calories than many other foods or drinks, the Granite City Rotary Club was told Tuesday noon by John A. Mavrakos, president of a St. Louis candy firm.

As an example, he said that an ordinary box of 42 chocolate creams contains less than one-half the calories of a scotch highball.

"It has been scientifically proven that when the blood sugar count is low, the individual feels hungry, and when the blood sugar count is high, there is no feeling of hunger; that's why your mothers, you may remember, discouraged eating sweets before a meal because this would 'spoil your appetite.'"

The only sensible way to reduce, Mavrakos said, is to "push yourself away from the table." He added that heavy eating is the primary cause of obesity, not candy, although both should be done in moderation.

Ingredients of candy today come from many countries and, for this reason, the industry is important in international affairs. The economic base of candy, which is currently in the news, is the cocoa bean, he pointed out.

"During the Berlin airlift, our flyers dropped candy bars in the Russian zone and this was not only a gesture of international goodwill toward the children but the candy filled an important gap in their diet."

Candy A Universal Treat
Tracing the history of candy, Mavrakos said it has been recognized as a special treat by young and old alike since early times, and is mentioned in the Bible.

After discovery of the cocoa bean in Central America in the 15th century, chocolate houses, comparable to today's coffee houses, sprang up in England. The Pilgrims sent to England for candy for their Thanksgiving feasts, he continued, as did Martha Washington.

Although a good bit of candy manufacturing still requires high personal skills, Mavrakos said mechanization has advanced rapidly since 1900. It is a one and three-quarter billion dollar a year business, directly employing 79,000 with an annual payroll of \$255 million "in addition to aiding numerous related fields, such as agriculture."

Referring again to the popular misconception of candy as a cause of obesity, he noted that all of today's so-called "reducing" compounds contain large amounts of sugar products and you can find them listed in any fine print on the can or box.

Edward Meng, program chairman, introduced Mavrakos as a brother St. Louis Rotarian and candy "Man of the Year" in 1959.

Ten Rotarians volunteered to aid the Salvation Army in their annual Christmas "kettle" drive to raise funds for destitute families, and Arthur Kayser announced the Dec. 20 meeting will honor past presidents and wives of the club members. The traditional Granite City high school sleigh club program will be presented.

St. Louisan Nabbed Here Admits \$80 Holdup
St. Louis police today said that James Drake, 36, picked up by alert Granite City police early this week and turned over to St. Louis authorities, has a positively been identified and admits to an early Sunday morning hold-up in which two men got between \$80 and \$90.

Drake, who gave an address on North Ninth street, St. Louis, and a companion, were taken into custody at 15th street and Grand avenue here Sunday on information supplied by St. Louis officials.

According to the St. Louis Fifth district detective bureau, Drake admitted the hold-up of the Friendly Inn on Branch street, St. Louis, at about 3:35 a. m. Sunday.

He has refused, they said, to identify his accomplice. The detective bureau said charges were filed against Drake, and search continued for the other involved in the tavern hold-up.

Drake, and his companion waived extradition here, and were turned over to St. Louis authorities. The second man is to be released from custody.

A description of the car used in the holdup aided in Drake's apprehension. It belongs to his brother, Carl Drake, serving seven-year term in the Missouri State penitentiary for robbery. When witnesses described the vehicle to St. Louis police, they recognized it as belonging to Carl Drake. They went to James Drake's home and then broadened Granite City to act so promptly.

Mrs. Gertrude Scovel, victim of the tavern hold-up, said one of the pair pointed a pistol at her and demanded money from the cash register.

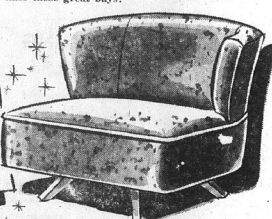

People do not need more leisure time — they really need more time to practice common sense.

Warriors Raise Basketball Curtain Here Friday Night With Cahokia; Roxana Next

"The proof is in the pudding," remarked Granite City high school varsity basketball coach Andy Sullivan this week, adopting a "wait and see" attitude as far as answering queries as to how the Warriors will fare on the high school court this winter.

Local fans won't have to wait long. Granite City, with good overall size but no proven depth at three positions, will open a busy 18-game regular season schedule with two non-conference contests this weekend.

The mid-tier comes in the form of an 8:30 p.m. tilt tomorrow at the GCIS gymnasium, with Earl Lee's Cahokia Coaches providing the opposition.

Roxana, another Midwestern conference representative, hosts the Happy Warriors Saturday at 8 p.m.

Two Definite Starters
As of this afternoon, Sullivan whose two-year record as director of GCIS varsity cage efforts includes 35 wins and 10 losses, was sure of just two starters for the Cahokia contest. They are seniors and co-captains, Frank Knight (6-3) at one forward position and Jim Simpson (6-3) at the pivot.

Tentative starter at the other forward is senior Rich Kirksey (6-2), while the guards could be Grant Takmacjian (5-9) and possibly Bill Baldwin (6-2).

Just who else on the roster might get into action Friday or Saturday depends on how these five players perform.

"Of course, we'd like to get started with a couple of wins, and if the games are close there won't be much substituting," he stated.

"If we can open up things a little bit, then some of the other

boys will get a chance," Sullivan added, possibly with one eye on Granite City's first conference game against Collinsville here on Dec. 9.

The Warriors scrimmaged before a school assembly this week, and the offensive accuracy displayed left a little to be desired.

"We didn't shoot too well, about 35% I think, but it did give us a chance to work in front of an audience," coach Sullivan pointed out.

In their debut against Cahokia last season, the Warriors were managed to eke out a one-point, 55-54 win. The following evening, they recovered to roll over Roxana, 68-37.

No Juniors On Squad
"I think the thing that's going to use up the most is the absence of any juniors on the team," Sullivan predicted. Tiedman qualifies as a junior, but only until the second semester begins. Everybody else on the 26-man roster is either in his first or last year as a varsity player.

Those reserves who could get into action this weekend, provided the Warriors can work their way to a little breathing room, include seniors Max Prusak (6-0), who may possibly drive a starting assignment, Jack Salich (5-11), Larry Diak (5-7), and Larry Thurman (6-0). Bob Hoffek (6-2), John Grobowski (5-10), Virgil Kirksey (6-1) and Pat Schuman (5-10).

The sophomore list is headed by 6-5 George Moore and in the forward position, Glen Hoffman (5-7), Larry Nohlin (6-0), Larry Papp (6-0), Rich Hahn (5-10) and Perry Teyon (6-1).

A reserve game will precede Friday's varsity action here at 6:45 p.m.

WARRIOR VARSITY CAGE SQUAD, which will open the season at home tomorrow night at 8:30 with a non-conference game against Cahokia. Members of Andy Sullivan's crew include (seated, left to right) Larry Thurman, Bob Hoffek, Grant Takmacjian, Max Prusak, Frank Knight, Jim Simpson, Rich Patrick and Glenn Hoffman; and (standing, left to right) Larry Diak, Pat Schuman, Virgil Kirksey, Bill Baldwin, George Moore, Max Prusak, John Grobowski, John Grobowski and Jack Salich.

Junior Teen Cagers Open 2nd Season On Saturday

The Junior Teenage league basketball program for boys between the ages of 13 and 15, sponsored by the Granite City park district, will open its second season Saturday afternoon at the park district community center.

Five games involving all 10 of the league's teams are scheduled. Last year, the league drew only four entrants. Back to defend its league season and playoff title will be St. Bartholomew's.

League action will continue for 10 weeks, excluding the Christmas holidays, with each team meeting every other league entry once. In addition, a postseason tournament, with all teams eligible to enter, is being scheduled.

The Senior Teenage league, also slated to begin play this weekend, will not kick off its season until next week. The four teams in that league bring to 34 the number of squads participating in the park district's five basketball leagues this winter.

Saturday's Junior Teenage schedule:
Sacred Heart JV vs. Indians, 7:15
Y-Boys vs. St. Bartholomew's, 7:45
Vince Construction vs. Vess Service, 8:15
Braves vs. St. Joseph's, 8:45
Community Heights vs. Chiefs, 9:15

Southwestern SIU Defeats Blackburn

Southern Illinois University's Southwestern campus cage squad held a slim lead over Blackburn College for the major part of a game played in Carlinville last night, blew it and then came back to win in the closing seconds, 63-61.

The Southwestern Salukis employed 13 players to win their second game in five tries this season, and all took a hand in the scoring. Pat Hamm, former Roxana high school cager, placed the winners with nine points.

The Southwestern campus will host Missouri Mines of Rolla, Mo., tonight on the Assumption high school court in East St. Louis, and then travel to De Moines, Ia., to meet Drake University Saturday evening.

Coolidge 7th Rally To Defeat Central

Coolidge junior high school's seventh grade squad overcame a one-point halftime deficit Tuesday night and went on to a 29-24 win over Central grade school in a game played on the losers' court.

Central led 11-10 at halftime, but the outburst shooting of Larry Ripka, who paced Coolidge with 14 points, proved to be the difference in the second half. Central helped itself out of contention by missing 15 free throws.

Bruce Provenance and Gary Golden each scored six points for Central, which now has a 2-3 record and will meet St. Elizabeth at Prather JHS next Tuesday.

Venice Drops 64-61 Decision To Bunker Hill Tuesday

Unable to find a win-producing combination in three games this far this season, Coach Zahn Wells will take his Venice high school basketball squad to Alton tomorrow night for a contest with Western Military Academy.

The Red Devils, who lack any outstanding height, were unable to control the boards Tuesday night as they dropped a 64-61 Madison-Bond-Clinton Counties conference game to Bunker Hill on the winners' court.

The Minutemen, who won only three games last year and were defeated twice by Venice during that season, also outshot Venice on the floor Tuesday night, hitting 42% of their shots as compared to the visitors' 34%.

Don Devany came up with his best offensive showing of the evening as he popped in 18 21-25 Evans 200, Gaven 204.

points for Venice. Larry Gray added 16 and John Corrie 13.

Bunker Hill enjoyed its biggest lead after three quarters of play, 49-38, but the Red Devils whittled away in the closing minutes, out the lead in half and very nearly erased it altogether by the time the final buzzer sounded.

Neither club had much to brag about from the free throw line. Venice converted only 15 of 34 attempts, and the Minutemen 18 of 39. The difference was Bunker Hill's mastery of the boards. The teams dragged off 37 missed shots, and Venice easily defeated Western 68-44.

The Friday contest with Frank Krumpacker's Red Raiders marks the debut of the Alton school's 1960-61 cage season. In the two teams' only meeting last season, Venice easily defeated Western 68-44.

Bunker Hill's junior varsity squad also scored a three-point victory over the Venice Jayvees Tuesday, 46-43.

ment in the construction industry," Fallon said. "Will encourage the many industries in our industrial district to continue to expand here. It will also make the district more attractive to companies looking for new plant locations and concerned with finding an area where construction costs will be reasonable."

"We are continuing the kind of progress that led the firm of Arthur D. Little, Inc. to report a year ago, after a survey, that costs of construction labor in this area had dropped by as much as 20% since the 1958 agreement was signed."

The new three-year contract was agreed upon late in September granting pay increases of 10 cents an hour retroactive to last Aug. 1, a 20-cent hourly increase next Aug. 1 and a 25-cent hourly increase on Aug. 1, 1962. The carpenters' scale prior to the contract was \$3.80 an hour. In addition, there is a 10-cent welfare agreement.

Wording of the contract to include the 10-point plan, 1958 agreement was completed only a few days ago, Fallon said.

The Carpenters District Council has jurisdiction in all of Madison, Jersey and Bond counties and in parts of Macoupin and Green counties.

The contract was signed for the Carpenters District Council by Henry Eversmann, president, and Kenneth Ostendorf, secretary. It was also signed by officers of the Construction Employers Council of the Alton-Wood River district, the Southern Illinois Builders Association, Associated General Contractors, and the Collinsville Contractors Association.

3 Depot Employees
Compete For Award

Thirty-one employees from 21 Federal government agencies in the greater St. Louis area, including three employees of the Granite City Engineer Depot, are competing for the sixth annual Federal Civil Service Employees of the Year award, John W. Godbold, general chairman, announced today.

The local competitors are Joseph C. Cell of 3125 Ash avenue, George E. Moore of 1229 St. Clair avenue, and Mrs. Alona B. Reilly of St. Louis, all Engineer Depot employees.

The annual award is sponsored jointly by the Federal Personnel Association and the Federal Personnel Council. Postmaster Claude L. Bakewell of St. Louis heads the screening committee which has been studying the entries this week.

Final selection of the winner will be made by a committee headed by Donald Danforth, chairman of the board of Ralston Purina Co. His committee members include Dan Schafly of the St. Louis Board of Education; Clark Hunsford, chairman of the board, Metropolitan Chamber of Commerce; Charles Vetterott, realtor; and Dr. Harold W. See of Southern Illinois University.

The winner will be announced at the annual awards banquet Jan. 19 at the Chase Hotel in St. Louis, Godbold said.

Parochial Game

St. Mary's of Madison bombed St. Mark's of Venice 48-34 last night to improve its parochial grade school basketball conference record to 3-1. The winners rolled to a 24-2 halftime lead, and got a 22-point effort from Elwood Besserman. Jack Miller had 14 points and Tom Miller seven.

The St. Mary's "B" team also came off a winner, downing St. Mark's second string 33-19 as Paul Besserman and Jim Tutka each scored 10 points and John Harrison added six.

St. Mary's plays St. Patrick's of Pana at 2:15 p.m. Saturday in the St. James parochial tournament in Decatur. A win would send the Madison squad back to Decatur for the semifinals and finals the following weekend.

Locally, St. Mary's plays Sacred Heart, the only team to which it has lost this season, at Madison junior high school on Dec. 7.

Parochial Game

St. Mary's of Madison bombed St. Mark's of Venice 48-34 last night to improve its parochial grade school basketball conference record to 3-1. The winners rolled to a 24-2 halftime lead, and got a 22-point effort from Elwood Besserman. Jack Miller had 14 points and Tom Miller seven.

The St. Mary's "B" team also came off a winner, downing St. Mark's second string 33-19 as Paul Besserman and Jim Tutka each scored 10 points and John Harrison added six.

St. Mary's plays St. Patrick's of Pana at 2:15 p.m. Saturday in the St. James parochial tournament in Decatur. A win would send the Madison squad back to Decatur for the semifinals and finals the following weekend.

Locally, St. Mary's plays Sacred Heart, the only team to which it has lost this season, at Madison junior high school on Dec. 7.

Jaycee Handicap
Bowling Tourney
Set For Dec. 5-9

A handicap bowling sweepstakes for legkies who roll at three houses in Granite City is scheduled to be run off Dec. 5-9, a spokesman for the Granite City Jaycees, sponsoring organization, said today.

First prize in the sweepstakes will be about \$300, depending on the number of entries in the five-day kiegling competition. The Jaycees are shooting for 1000 entries, with an entry fee of \$1 per bowler. Bowlers may enter the sweepstakes at the Granite City Lanes, Bowland or Big Top Bowl any evening between the dates mentioned. Jaycee members will be on hand at all three houses to help determine handicaps and accept entry fees.

The sweepstakes is open to all league bowlers, with prizes to be awarded the week following the contest after results have been tabulated.

Collinsville Bowls
Over Prather, 67-25

Using a full-court press and a distinct high advantage, well Collinsville's eighth grade basketball squad smothered Prather 67-25 Tuesday night at the Prather gym, 67-25.

Collinsville broke into an early lead and increased it steadily throughout the game. The visitors' halftime lead was 38-15. Turry Valencia paced Prather with 16 points. Gauen poured in 28 for Collinsville.

The Prather seventh graders were squeezed out by one point in a preliminary game, 24-23. Bill Cox hit for 10 points and Jim Horton seven. Prather tangles with Roxana there on Dec. 9.

visior on the program at the new campus here. He would reside at Carbondale.

The news release on Dr. See's resignation follows:

"With the greatest cooperation from the Northwestern Illinois Council on Higher Education and the help of scores of other individuals and organizations, it has been possible to attain a degree of success in the type of work I enjoy most," Dr. See observed. "Now that the groundwork has been laid for the Southwestern Campus, I have asked to be assigned to a position which will be more academic in nature and less demanding."

Dr. See explained that this was not a "spur-of-the-moment" decision, that he had contemplated the present move at various times during the past year but had delayed until after the bond issue campaign.

Accomplishments Praised
President Morris praised Dr. See for "tremendous accomplishments" since joining the staff in 1955. "Without his boundless energy, superior ability and unrelenting drive, the Southwestern Campus would not be near its present state of advancement," President Morris said. "I am sure the people of this area appreciate what his efforts have meant in making possible for the youth of the Madison and St. Clair counties area a first-rate, four-year educational program in an unbelievably brief period of time."

Dr. Morris reported that every effort possible will be made to have architectural plans completed and the Universities' Bond Issue funds appropriated in order that actual construction of Southwestern's first major building may be underway by early 1962.

President Morris cited as being among Dr. See's most notable achievements the successful launching of the residence center programs at Alton and East St. Louis in 1957 despite innumerable problems, his part in the area-wide raising of funds for purchase of the permanent campus site, his selection of a superior faculty during a period when university level teaching talent has been at a premium, and his part in promoting passage of the Universities' Bond Issue.

"For more than five years, Dr. See has given to this area and to SIU a high caliber of educational leadership," President Morris observed. "Now that the first phase of the program is nearing the end and the actual physical development of the permanent campus is about to begin, we are according to Dr. See's request for a change of assignment."

Centers Started In 1955
Dr. See became director of Southern's Residence Center program in 1955, was made executive dean in 1957 and vice president in 1959. With degrees from Northeast Missouri State Teachers' College, Northwestern University and Indiana University, he came to SIU following a year as Fulbright lecturer assigned to the Ministry of Education in Burma. Previously he had served in administrative and teaching positions in Indiana and Purdue

Amvets Post 51 Sells Building To Realtor

Granite City Amvets Post 51 has sold the building at 1836 Delmar avenue, occupied by the Club Delmar and purchased the summer residence at 5100 Lakeview drive as its headquarters clubhouse.

William B. Webb Jr., commander of the veterans' organization, today said the Delmar avenue building owned by the post had been sold to the Kent Realty Co. for \$27,500. The transaction was completed on Monday.

Webb said he understood Club Delmar will continue to occupy the premises under a new lease with the realty firm, and that there are plans to remodel the two-story brick structure to provide a more modern and less demanding.

Since last August, the Granite City Amvets have occupied the Lakeview drive residence, former summer home of the late A. J. Schneider.

Under a policy approved by the membership, Webb said the Lakeview clubhouse will be open only to members. It will not be open to the public, the commander emphasized.

Parking Meters Being Looted In Two Areas

Parking meter thieves have been damaging and looting downtown parking meters in the vicinity of 20th street and Edison avenue and at 20th street and Delmar avenue, obtaining undetermined amounts of money from the coin boxes.

At least 10 meters have been damaged and looted in the two areas within the past several days, police said.

Ferdinand Rosales, 4044 Lakeview drive, reported to Granite City police Monday that two sideview mirrors were stolen off his 1955 auto while it was parked at 21st street and Delmar avenue.

Two related theft reports were received this week by Granite City police involving the stealing of cash and a coat. John Moore, 2420 Edison avenue, reported to police Monday night that his home had been entered on Nov. 22 and \$40 taken from his wife's wallet. He said there was no sign of a forced entry.

Ronald Deutschman, 2234 East 24th street, told police Tuesday his \$30 car coat was taken from a rack at the Big Top Bowl last Thursday night.

Universities, Evansville College and the University of Cincinnati. On the occasion of Southwestern's pre-commencement program last June, Dr. Robert B. Lynn, chairman of the Southwestern Illinois Council on Higher Education, said of Dr. See, "I know of no one who could have accomplished as much so fast as Dr. See."

"We feel that the assembling of a staff that has so quickly won for itself a place in the community is a direct reflection of the leadership provided . . . Dr. Lynn attributed to Dr. See the devotion of hours to his mission. I think I know of no other man who could have done this job as well and as expeditiously as he did it."

the project and are donating money for construction of the scout building.

Pro And Con
Aldermen Samuel Whitmer and Robert Gaughan quickly said they favored location of the building on the city-owned block, but objections were raised by Alderman Charles Meyer, who said the city should first map out an overall plan for the block and then decide what should be placed on it.

"I'm for the Boy Scouts," Meyer remarked, "but there are plenty of other places the building could be located, and, too, I will probably be getting requests to set aside other parcels of the block for other organizations."

Meyer said the city originally planned to erect a civic center on the block, and with the first restoration, the proposed new post office and the scout building, there might not be adequate space for expansion of municipal buildings or erection of new ones.

Joining Meyer's stand, Alderman Arthur Wierzer commented he also favored a new Boy Scout headquarters, but thought the city block was too valuable and would increase in value to the city in future years. He suggested the Boy Scout building could be erected on city-owned property in Lincoln Place near the Granite City Engineer Depot.

Whitmer said the Boy Scout building would enhance the area, and Gaughan added the site selection and construction represented an honor for the city.

Partney requested the Mayor appoint a city council committee to go over details of the proposal with the Boy Scout committee, headed by H. D. Karand, and to determine if the city could legally set aside the property for such a building, either by lease or donation.

City Hall To Be Re-Roofed
At the outset of the meeting, council members engaged in a discussion of the city hall roof, hearing from two roofing contractors and the architects. The discussion lasted an hour, with the council members deciding to proceed with the contract agreed upon last week for Quaid-City Roofing Co. to proceed on its bid of \$6518.

Under the contract, the firm is to remove the present roof and replace any of the frame decking (at added cost), remove sky light, airplane spotting booth and air conditioning unit, install a new roof, and remove the booth and air conditioner on wooden curbing.

Architect Henry Gabriel recommended the entire new roof, although the council debated the offer by Marcus Rogers of Rogers Roofing Co. to make any repairs necessary under his present 10-year guarantee, which has six years to run.

The architect explained there were numerous layers of roofing that had been applied over a long period of time and to obtain a bonded roof, the city's most favorable step would be to remove all of the present roofing and install a new one.

He added that water could be trapped between the layers of roofing and causing damage to the city court suite. Rogers said he was certain the roof was not leaking and asked permission to

Alarm Sounds, Sends Police, Guards On Search

Granite City Steel Co. guards at 2:50 a. m. today in an inspection of the firm's office building at 20th and State streets where an alarm sounded.

The building, which adjoins the First Granite City National Bank, was searched, and it was discovered an electronic device in the alarm system was defective.

Alderman Casner, chairman of the City Hall committee, had invited the two roofing firms and the architects to a meeting to discuss the matter and over the weekend had planned the signing of a new roof on the block, and with the first restoration, the proposed new post office and the scout building, there might not be adequate space for expansion of municipal buildings or erection of new ones.

Pete Mejaski Collapses On Street, Dies

Pete Mejaski, about 70, of 1029 (near) State street, died at 2:25 a. m. today at St. Elizabeth Hospital after collapsing at 19th and State streets at 5:45 a. m. yesterday.

Mr. Mejaski fell on State street at a point several feet from the curb, and was moved to the sidewalk by passersby. Police were summoned and had him taken to the hospital by ambulance. He was bleeding at the nose when found.

Madison police today said there was no evidence of foul play. They attributed death to an accidental fall or illness, reporting Mr. Mejaski had been stricken on previous occasions. Deputy Coroner Francis Lahey is to investigate.

Mr. Mejaski was retired. Efforts were being made this morning to locate a brother, said to reside at Livingston.

Funeral arrangements are incomplete. Further details are given in today's obituary column.

APPLE CRUMB PIE

5 or 6 tart cooking apples, peeled
2 tablespoons sugar
1 teaspoon nutmeg
1 cup flour
1 cup brown sugar
1/2 cup butter (1 stick)
3 or 4 tablespoons top milk or light cream

Uncooled pastry for one-crust pie
Line pie pan with uncooled pastry. Mix 2 tablespoons sugar and nutmeg with thinly sliced apples and put in lined pan. Mix brown sugar and flour together and cut in butter until crumbly. Distribute this over apples and pour cream or milk over all.

Bake in 350-degree oven 45 minutes to 1 hour, or until done. Serve plain, warm or cold, or with heavy cream or whipped cream. Yield: 6 servings.

Fire Closes In Venice

Venice firemen received two calls yesterday, going at 9:30 a. m. to the home of Mr. and Mrs. John Gontman, 1009 Third street, and at 5 p. m. to a home at 628 Mercedia street, where coal near a furnace had caught fire. At the Gontman home, the furnace had become overheated and firemen recommended removal of a wooden frame from the furnace blower.

OFFICERS INSTALLED by New Hope Chapter 432, Order of Eastern Star, Monday evening were, front row—Hannah Kleinschmidt, treasurer; Hulda Griffith, conductress; Dorothy Fitzpatrick, associate conductress; Kormyn Edmonds, associate matron; Florence Spohr, worthy matron; John L. Wood, worthy patron; Cora Davis, chaplain; Clara Smith, secretary; and Arline Fox, instructress. Standing—Preston Ridings, sentinel; Ruth Moore, warder; Maude Scrubs, Martha; Avis Jolner, Electa; Mary Bilbey, Adah; Joline Smith, Ruth; Hazel Wood, Esther; Marguerite Halyama, organist; Elizabeth Wicnic, marshal and Joseph Wisnack Jr., color bearer.

Granite Chapter 650, OES, Holds 51st Annual Installation

Approximately 250 members and guests attended the 51st annual installation of officers of Granite Chapter 650, Order of Eastern Star, Monday evening at the Masonic Temple.

Mrs. Florence Spohr was installed as worthy matron and John Wood became the worthy patron.

Green and silver bows and a white dove were attached to the back of each star point chair, and in the East burned green candles in candelabra. Palms were placed at each side of the altar and in the center was a large bouquet of bronze and yellow chrysanthemums. In the West were more of the palms and candles in candelabra.

Other officers installed with the matron and patron were Karmyn Edmonds, associate matron; Thomas Rhyar, associate patron; Clara Smith, secretary; Hannah Kleinschmidt, treasurer; Hulda Griffith, conductress; Dorothy Fitzpatrick, associate conductress; Cora Davis, chaplain; Elizabeth Wicnic, mar-

shal; Marguerite Halyama, organist; Mary Bilbey, Adah; Joline Smith, Ruth; Hazel Wood, Esther; Maude Scrubs, Martha; Avis Jolner, Electa; Ruth Moore, warder; Preston Ridings, sentinel; Margaret Michels, soloist; Joseph Wisnack Jr., color bearer; and Arline Fox, instructress.

The worthy matron wore a gown of green nylon embroidered with silver thread. Other officers were attired in white gowns wearing wristlets of flowers, with the exception of the star points whose gowns were in colors appropriate to their stations. The men also were in formal attire. The installing organist was Leona Bush, instructress of Queen City Chapter in East St. Louis.

The ceremony began at 8 o'clock when the candles were lighted by Linda Williams, a niece of the worthy matron, and Beverly Wood, niece of the patron.

Mrs. Mary Ellen Lewis, the retiring worthy matron, escorted by Clarence Hoffman, retiring worthy patron, entered the chapel room, followed by Mrs. Hulda Griffith carrying the Bible which she placed on the altar.

Mrs. Lewis welcomed the members and their guests before giving a brief history of the chapter.

Introduction of the installing officers followed. They were Mrs. Blanche Leuchter, installing officer; Mrs. Nannie Meadows, installing chaplain; and escorts Roy Wilmzig, Julian Smith and Lloyd James.

The elective and appointive officers formed the usual semi-circle west of the altar as the ceremony proceeded. The color bearer presented the flag and the pledge of allegiance was given by Bob Maxwell, master counselor for the DeMolay's gave the ode to the flag before the roll call of the officers-elect.

Mrs. Meadows was the first to approach the altar to assume their obligations.

Mrs. Spohr received the badge of her office and Mrs. Margaret Michels sang "In The Garden of Tomorrow" as the worthy matron was presented with a colonial bouquet of yellow chrysanthemums by her granddaughter, Denise Spohr.

Mrs. Lewis, the retiring worthy matron, also received her past officers jewel presented by her husband, Lloyd Lewis, and the retiring worthy patron was given his past officers jewel by Julian Smith, Mrs. Karmyn Edmonds, the associate matron, presented other gifts to the retiring matron and patron from the officers of the past year.

After the song, "Bless This House," by Mrs. Michels the benediction was pronounced by the retiring matron, pastor of First United Presbyterian Church.

A reception was held in the dining room where the same green and silver color scheme was used. Centerpieces of Cavalier roses adorned the lace-covered tables.

Serving at the reception were Mesdames Sadie Jones, chairman, Maude Graham, Laura Reiners, Eva Gump, Bess Dudenbostel and Herbert Dudenbostel.

Mrs. McGovern Is Honored At Cradle Shower

Auto-Truck Accident

An auto and a tractor-trailer truck were involved in a collision yesterday afternoon at 20th street and Park avenue. Samuel H. Grace, 30, of Edwardsville, told police he was driving north on Park avenue, while the truck was being operated west on 20th street by Printess Dees of Owensville, Mo. There was damage to the left side of the auto and front of the truck. No injuries were listed.

Mr. and Mrs. George Peradotti and children, David and Crystal, and Mr. and Mrs. Carl Cucocatti and daughter, Tonya Sue, of East 24th street returned home this week from Pinckneyville, Ill., where they visited with relatives.

Plans are being made by the Yale Club for its Christmas party, to be held Dec. 16. Hundreds of the members are to attend. The club is sending flowers to a member who is hospitalized, Mrs. Rusty Knapp.

Rev. R. D. Shaw, accompanied by Rev. George Ankerio and Rev. Kurt Matchelate, attended a monthly fellowship meeting in Nashville, Ill., Monday night. Rev. Shaw was in charge of the service.

WORLD FRIENDS MEET
World Friends Sunday met Tuesday afternoon in Second Baptist Church for the last chapter of the mission study book, "Who, Me?" which was taught by the leader, Miss Glen...

Throughout the room were pictures and drawings concerning the country of Chile, about which the story was written, and there was an interest center of products grown in Chile. For their handwork, the children finished during the five-week sessions.

Sliced bananas and fruit punch were served to Mrs. Fred Boger, WMS president, Mrs. George Mitchell, vice-president, Mary Tooley, Debby and Danny La-well, Rudy Reiser, Bruce Freeman, Bobby Snider, Miss Crismon, Mrs. Ruby Harper, Mrs. Calvin Penrod and three visitors, Tommy Freeman, Joe Schwandner and Tena Sue Penrod. There was prayer by Mrs. Boger and Miss Crismon.

FOREIGN MISSION STUDY
Primary Sunbeams studied foreign missions at Second Baptist Church. A study book completed, and a talk was given by Mrs. Betty Lewis, leader. Songs, poems, plays and handwork were displayed.

Special guests were Mrs. Fred Boger, Missionary Society president, and Mrs. George Mitchell, a WMS member. The program was given by the boys and girls, and each was given a picture. Prayers were offered by Mrs. Lewis, Miss Kathy Farley and Frances Welty.

Others present were David Freeman, Pamela Cross, Donna Mills, Robert McCord, Nancy Hawkins, Nick Tooley, Joyce Basden, Dean Olive, Cheryl Hancock, Mike Bellman and visitors, Johnny Snider, Pamela Stack and Mark Reiser.

Mr. and Mrs. J. Y. Fitzhugh, 2031 Illinois avenue, who are announcing the birth of their fourth child Nov. 24 at St. Elizabeth Hospital, have named him David Alan. He weighed eight pounds, one ounce. He has two brothers, Bradley and Phillip, and a sister, Marsha Kay.

The Junior Glad Girls held a special meeting this week at the Second Baptist Church to make Christmas baskets for gifts which are to be sent. Mrs. Eleanor Cook was in charge of the group of ten members.

RETURNS TO NORTHWESTERN
Robert Roscoe Orsey returned last Sunday to Northwestern University, Chicago, after spending the Thanksgiving holidays with his parents, Mr. and Mrs. Andrew Orsey, 3400 Terrace lane. His roommate, Ned Nelson of Hutchinson, Kan., and Miss Marcia Hill of Pasadena Hills and Miss Cathy Striker of St. Louis spent the weekend at the Orsey home.

Orsey and Nelson's fraternity is Pi Kappa Alpha, and for the fourth straight year, their house has won first prize in the homecoming decorations contest. Orsey is chairman of the decorations committee, and this year the house built a 62-foot-long whale, which was 17 feet high. The mouth of the whale was motor driven and "swallowed" replicas of the Michigan State football team in the parade before the game, which Northwestern lost.

MRS. MANNING HOSTESS TO GIRLS AUXILIARY
Mrs. Virginia Manning entertained the Vivian Wilson Girls Auxiliary of Emmanuel Baptist Church Monday evening in her home, 1717 Bremen avenue.

Miss Cynthia Creve gave the opening prayer, and the study program was on "Fun With Forward Steps." The hostess served a late dessert course to Mrs. Barbara Smith, Sandra Black, Portia Stapleton, Beverly Long, Ruth Davies, Judy and Susan Phillips, Charlotte Weiss and one guest, Jerry Gavin.

The next meeting will be Monday, Dec. 5.

A granddaughter, Mrs. Virgil Speltz, and her husband and friends called during the afternoon, and the highlight of the day was an unexpected telephone call from their son, Bernard, in California. He was unable to come east for the celebration.

The Tucker home was decorated with white and silver streamers, green ferns and yellow and white chrysanthemums, and a tiered wedding cake decorated with silver and white bells and roses was the centerpiece of the buffet table.

More than 100 relatives and friends called during the afternoon, and the highlight of the day was an unexpected telephone call from their son, Bernard, in California. He was unable to come east for the celebration.

OPEN HOUSE FOR SIXTH ANNIVERSARY

Mr. and Mrs. John S. Boyer of Tiff, Mo., were honored by their son-in-law and daughter, Mr. and Mrs. Earl Tucker, with an open house party Sunday afternoon in the Tucker home, 2477 Grand avenue, on their sixth wedding anniversary.

They have four sons, Edgar and Hobart of Granite City, Theodore of St. Louis and Bernard of Whittier, Calif., and three daughters, Mrs. Tucker and Mrs. Martha Holland of Granite City and Mrs. Redella Coleman of DeSoto, Mo.; 21 grandchildren and 25 great-grandchildren. Mrs. Boyer was the former Miss Agnes Thebeau of Old Mines.

Farming was Boyer's profession before he retired, and most of their married life was spent on the farm in Tiff. Both are in reasonably good health for their ages.

More than 100 relatives and friends called during the afternoon, and the highlight of the day was an unexpected telephone call from their son, Bernard, in California. He was unable to come east for the celebration.

The Tucker home was decorated with white and silver streamers, green ferns and yellow and white chrysanthemums, and a tiered wedding cake decorated with silver and white bells and roses was the centerpiece of the buffet table.

PARTY FOR SIXTH BIRTHDAY

Mr. and Mrs. Andrew Orsey honored their son, Dennis James, on his sixth birthday with a party Monday afternoon in the Orsey rathskeller, 3400 Terrace lane.

Multi-colored balloons were suspended from the ceiling as decorations and the fall colors of green and orange were used in the paper streamer decorations. The large cake was decorated in a football theme, with a complete team on the field.

Mrs. Marie Phelps assisted her mother in the games, and prizes were awarded to Richard Beavert, Charlotte Moore, Jeffrey Ross, Steven Lasso, Theresa Hayes, Gregory Jones, Barry Bogovich, Monte Lyons and Barbara Knerlberger.

Refreshments were served to the winners and to Doug Wilson, George Ramsey, Kay Lynn Fry, Andrew Lasso, Carol Ann Lasso, Richard Gaines, Debby Hodge, John Jones, Larry Wolf, Mary Ellen, Peggy and Charlie Barth, Peggy Wisch, Jerry Lynn Ross, Billy Simpkins and Jeffrey Ross.

The EMB circle of the Nameoki Methodist Church met Monday evening in the home of Mrs. Vane Pittman, 2104 Ames avenue.

Mrs. Peggy Dillard, assisted by Mrs. Ruth Hancock, Mrs. Beas Causey, Mrs. Ann Stalcoff and Mrs. Vivian Guika, presented the evening's study lesson.

A discussion was held on the evening's study lesson. The church's Women's Missionary group, and plans were made for the Dec. 3 WSCS Christmas program at the church. A film on the origin of Christmas carols will be shown to the congregation and guests.

The circle Christmas party will be Dec. 17 in the home of Mrs. Stalcoff, 2117 Lindell boulevard. There will be a gift exchange of articles needed for the...

RETURNS TO UNIVERSITY
Fred Hacke Jr. returned to Missouri University in Columbia, Mo., Monday after spending the Thanksgiving holidays with his parents and brothers, Mr. and Mrs. Fred Hacke Jr. and sons, Charles and Larry, 2316 Benton street. Mrs. Charles Forester of DeSoto, his maternal grandmother, also was here for the holidays. He recently pledged the Sigma Alpha Epsilon fraternity.

CUB PACK 96 MEETS
Cub Pack 96 held a monthly meeting Monday evening at Marysville school, with Master John Dorogahaz presiding. The theme was "Adventures in Space."

The boys paraded in costumes they had made, and pictures were taken. Richard Smart, commissioner, spoke about progress made by the pack since its inception a year ago.

Earl McCart showed a film clip and spoke of the pack goals for the coming year. The den mothers, their assistants and committeemen were introduced individually to the parents and boys.

The closing ceremony was led by Den Six. A special social hour was enjoyed in the cafeteria, with refreshments served by Den Three and Six. Pack 96 will meet next on Dec. 19.

BROWNIE INVESTITURE

At a meeting Tuesday afternoon of Brownie Troop 72 of St. Elizabeth's school, three new members were invested.

The meeting opened with the Girl Scout promise, and the Brownies filled a basket with cash and gifts for the "Festival of Giving." This basket will be taken Sunday to the Granite City high school where all Brownies and Girl Scout troops will gather to present their baskets to welfare organizations. The girls also made Christmas decorations for the Christmas tree at the high school, which will be decorated on Sunday.

New members invested were Patsy Dooley, Debby Fuch and Patty Guth. The birthday of Mary Jean Piel was observed and refreshments were served to 20 girls by their leader, Mrs. Mary Kubelka, and co-leader, Mrs. Martha St. Ivany. The meeting closed with the Brownies singing the "Tunnel Song."

"The Time has Come," the Walrus said,
 "to speak of many things."
 ... of cabbages and kings ...
 We don't know much about kings,
 but cabbage is one of our favorite subjects ...
 In this sense meaning folding money, mazzama, cash, etc.
 The time has come to talk about old fashioned thrift, with layoffs in some plants, reduced pay checks ... the time has come to think of saving CASH. We can do it for you ... keep checking our prices.

AARC Plans Children Yule Parties Dec. 10

The Granite City Association for Aid to Retarded Children held a monthly meeting Monday evening at St. John's United Church of Christ with William Coyle, president, in charge. Mrs. Paul Baker, chairman of the Christmas party committee gave her report. The smaller children and their parents will have their party at St. John Church and the teenage group and their parents will participate in a party at the Elk's Club. Both events are to be held Dec. 10 from 2 to 4 p. m. Rev. Alfred Buis, pastor of Hope Lutheran Church, was a guest speaker. He told of the importance of spiritual guidance of retarded children and told of plans by his church for a Sunday school class for them. He also displayed a film in connection with the work. The class will begin Jan. 15. Two representatives of the Boy Scouts explained the work of organizing a Boy Scout Troop, a project which is planned for the near future. The next meeting to be held in January, due to the Christmas holidays.

BAKED APPLES IN CINNAMON CUPS
Basic pastry for one-cust pie, or
1 1/2 package pastry mix
2 teaspoons sugar

1/2 teaspoon each cinnamon and nutmeg
4 baked apples (recipe below)
Prepare pastry and roll 1/8 inch thick. Cut in four circles, 6 inches in diameter. Prick with fork very lightly. Press each circle atop a circle of the same size cut from heavy duty aluminum foil. Holding pastry and foil together, shape into ruffled cups by fluting the edges.

Bake in 450-degree oven for 10 minutes or until crisp and lightly browned. Cool and remove foil.
Mix sugar and spices. Sprinkle mixture over insides of pastry cups. Just before serving place baked apples in cups. Serve with whipped, plain cream or whipped cream cheese.
Yield: 4 servings.

NOT ALWAYS GREEN
Sweeetgreen trees are not always all green. They are evergreens with blue gray, plum, white and yellow colored shades.

FELLOWSHIP MEETS

The Christian Youth Fellowship of the Central Christian Church met Sunday evening at the church with Allen Kennerly in charge. The program consisted of the silent supper and a paper drive to be held Dec. 17. It was decided to put up Christmas decorations the night of the paper drive and also put up a Christmas tree and decorations on the inside and have a party after they finish.

The study was by Marcia Walker, who read a chapter from the "Greatest Story Ever Told." Worship was given by Allen Kennerly, followed by word games led by Marcia Walker.

Refreshments were served by Marcia Walker and Mary Crouse, and the meeting was closed with the friendship circle. After the meeting, choir practice was held with Mrs. J. G. Rutter directing.

Present were Larry Whitsell, Allen Kennerly, Larry Papp, Cheryl Rice, Bob Moore, Bill Mertz, Martha Spengler, Mary Crouse and the sponsors, Mr. and Mrs. Clay Rush.

Brownie Troop 121 met Tuesday evening with Mrs. Ethel Getteman, assisted by Mrs. Evelyn Bringer. The roll call was answered with items the girls want for Christmas.

The girls worked on Christmas decorations and decorated their basket for the "Festival of Giving." Refreshments were served by Mrs. Mistoler and Mrs. Bringer.

Those present were Jean Funkhouser, Rita Krause, Sandra Ernst, Pamela Bringer, Sharon Hughes, Sandra Freeman, Brenda Mistoler, Sandy Deatherage, Elaine Roustio, Judith Baker, Debbie Grace, Sally Getteman and Mimi Midgett.

Den Three of Cub Pack 23 met Tuesday evening with Mrs. Betty Walker of Rural Route One. The boys said the pledge, discussed the different achievements, made Christmas tree ornaments, sang carols and listened to records of Christmas carols. Leo Spradley, a new cub, was welcomed into the den and Mrs. Walker read the boys a poem, "In Cub Scouting." Present were Leonard Walker, John Relake, Gregory Walker, Bobby Bunselmeier and Frankie Mehele.

Intermediate Girl Scout troop 31 met Tuesday evening with Mrs. Corinne Kreher, assisted by Mrs. Florence Deatherage. The girls decorated a basket for the "Festival of Giving" to be held Sunday at the field house at the high school, and discussed a Christmas party.

Girls present were Janice Kreher, Stephanie Deatherage, Dorothy Belger, Linda Hamilton, Karen Deatherage, Janis Mehele, Cheryl Flisk, Virginia Glenn, Peggy Bushy and Katie Kuehse.

Den Four of Cub Pack 23 met Monday evening with Mrs. Evelyn Bringer, assisted by Mrs. Ruth Norton, Dennis Morris and Scottie Rushing. Two new cubs were introduced to the den. The pledge was given, games were played and the boys sang Christmas carols. Present were Larry Harvey, Gary McDonald, Dennis Bringer, Herb Williams, David Dayton, Michael Norton, Rodger Beckey, Edward Van Scoyk, Dennis Morris and Scottie Rushing.

Den One of Cub Pack Six met Monday evening with Mrs. Laverne Rapp on Rural Route One. The boys said the pledge and promise and discussed projects for Christmas. They played games. Mrs. Buhls, a new den mother from Hope Lutheran Church, and her son, Danny, were introduced. The meeting closed with the Lord's prayer. Present were Michael Boyd, Robert Clark, Dennis Cline, Larry Rapp and a guest, Gary Rapp.

Boy Scout troop 23 met Tuesday evening at the fire hall with Herb Polley and Bob Anderson. Preparations are being made for "Scout week" in February.

Boys present were Mike Abernathy, George Wilkerson, Dennis Boyer, Willard Hicks, Allen Getteman, Larry Dayton, Bill Ashby, Glenn Warfield, Leslie Hall, Glenn Ashoff and Mike Krause.

Mrs. Bertha Hall, Den Williams and Mrs. Mabel Kennerly and son, Eddie, spent Tuesday visiting Mrs. Gladys Strackelshohn and daughter, Ruth, of Edwardsville.

James Hodshire, Arthur Chatham and Charles Kennerly motored to Ava, Ill., Sunday to visit Hodshire's father, Oscar Hodshire.

Chicken stock on hand? Team with tomato juice and heat, seasoning with salt and freshly ground black pepper. Nice garnished with a thin slice of lemon. The lemon can be fancied up by inserting whole cloves around the edges of the slices.

Saute chicken livers and make a thin brown gravy; serve with cooked thin spaghetti or linguine (flat strands of pasta) and lots of grated Parmesan or Romano cheese.

CUB PACK 122 PRESENTS AWARDS FOR WILSON PTA

A pack meeting of Cub Pack 122 was held Monday at Wilson school, with Bobby Weller opening the meeting by leading the pledge of allegiance.

Committee Chairman Gene Buzzan introduced new pack offi-

cers. They are Paul Vitale, treasurer; Mrs. Theima Leutenegger, secretary; and Ken Turner, Paul Weathers, Mrs. Dot Nelson and Mrs. Emma Kalips, ways and means committee.

Neighborhood Commission Clarence Windsor presented the pack charter to the institutional representative, Leo Kalips, to be presented to the PTA.

PTA President William Cedar was presented with the Eisenhower streamer, a plaque and a God and Country ribbon by Bobby Weller.

Six new members have been

recruited by the pack. The new cub scouts are Mike Yanger, Donald Martin and Mark Ball.

Cubmaster Jack Melson presented awards to Mike Kalips, Gregory Burnett, Glen Loar, Benault Bagby, Tom Green, Mike Anderson and Tom Smith. Den honor boys were: Den One, Mace Rodgers; Den Four, Randy Raymond; and Den Six, Ben Bagby.

A graduation ceremony was held for Mike Kalips from Pack 122 to Boy Scout Troop 122. Scoutmaster Curtis Stover presented him with a scout neckerchief.

Each den presented a short play on space and underwater exploits. Refreshments were served by Den Two mothers, and

the meeting closed with the "Living Circle" and a song, "Good Night, Cub Scouts."

Mrs. Barbara Miller and children, Joni and Shari, 3009 Sunbury, returned Sunday afternoon after a few days visiting in Decatur, Ill., with her parents, Mr. and Mrs. R. L. Robinson.

Brownie Troop 12 of the Wilson school PTA met Tuesday at the school with the leader, Mrs. Mary Sturdevant, assisted by Mrs. Wilkins and Mrs. Bonvicino.

A project was continued by Patricia Ahrens, Barbara Azari, Valerie Bone, Theresa Bonvicino, Mildred Lovejoy, Linda Singer, Jean Duffield, Margaret Sturdevant, Linda Wilkins, Elizabeth Settenoir, Patricia Patrick, Sherry Jackson, Rose Jenner and a guest, Ruth Gohke.

Mr. and Mrs. Howard Gorrell, 2836 Palmer avenue, returned Sunday from a short vacation, visiting a son-in-law and daughter, Mr. and Mrs. Ernest Sparks; a granddaughter, Mrs. Jacob Cox, and her husband and daughters, Debra and Amy; and Mrs. Lowell Sparks in Charleston, Ill. They visited Mr. and Mrs. Berle Brackett in Newton, Ill., and Farker Brackett in Dietrich, Ill.

First electric refrigerator was introduced in 1913.

Careless Driving Charge Filed Against Motorist

A charge of careless driving was placed against a Carrollton motorist who told police he fell asleep at the wheel of his car and it went onto the railroad tracks at the Edwardsville road crossing about 4:30 a.m. today.

The driver, Wilbur D. Shaw, 38, escaped injury but there was damage underneath his auto which was removed from the tracks and taken to a local garage. Shaw posted an automobile club membership card as bond.

First electric refrigerator was introduced in 1913.

Pvt. Svoboda Honored Upon Army Graduation

Pvt. Charles Svoboda Jr., 23-year-old Madisonian, who entered military service last July, was given post graduation honors when he completed a course of training as supply clerk at Fort Leonard Wood, Mo., it was learned here this week.

He is the son of Mr. and Mrs. Charles Svoboda sr., 1918 Elizabeth street, Madison.

Pvt. Svoboda, who attended Madison high school, is expected to be transferred soon to Oakland, Calif., preparatory to a tour of duty in Korea.

Tickets Go On Sale For GCHS Senior Class Play

Tickets for the Granite City high school senior class play, "Fair Exchange," are now available from members of the top senior class and at Graham's Book store. They are priced at 75 cents each.

The play will be presented in the GCHS auditorium at 8 p.m. on Thursday, Dec. 8, under the direction of Wayne Hubbard of the high school English department.

Written by Kurtz Gordon, the senior class selection tells the story of two male exchange students from distant schools who take part in a cultural exchange. The arrangement includes the escorting of two girls to the respective schools' spring proms. The plot divulges what happens in one of the schools when a

jealous boyfriend and an inquiring young girl work to convince everyone concerned of their "grave suspicions" about one of the exchange students.

Humor is injected in subtle form, and suspense builds as the play follows for one day the lives of a family and several friends concerned with the "Fair Exchange."

Appearing in the cast will be Phyllis Wallace, Carole Meyer, Sandra McKinney, Le Ann Barnes, Sharon Maberry, Ruth Schroeder, Jim Kozar, Ron Martin, Dorothy Brokaw, Lydia Harper, Jerry Roderick, Rufus Valencia, Dana Rollins, Mike McIlroy, Mike Mumby, Bob Harris and David Moss.

Collegian's White Rat Lab Experiment Has Bite

A student psychologist's home basement experiment into the causation of "unbalance" and "disturbances" in white rats apparently worked out well.

Thomas Daniel, 22, a senior in psychology at SIU's Alton center, was carrying out experiments in irregular conduct of rats in the basement of his home at 3124 Colgate avenue.

His professor had given him four white rats, asked he take them home and "disturb" them and observe and record the re-

Mrs. Oscar Primrose Dies At Highland

Mrs. Eliza Jane Primrose, 80, widow of Oscar Primrose, one-time Granite City trucking line operator, died Wednesday morning at St. Joseph's Hospital, Highland.

The rats were caged. Tuesday morning, in carrying out these directions, one of the rats bit Daniel.

At the hospital, he was given protective and "booster" shots and on returning, found the biting rodent dead. He is the son of Mr. and Mrs. Francis Daniel and the mother said today the experiment is over, adding, "Thank goodness."

Mr. and Mrs. Albert Paul returned home Sunday from Brazil, Ind., where they visited Mr. and Mrs. George Sharp and Mr. and Mrs. Carl Arbuckle and family.

The Quilting Circle met at the Mitchell Presbyterian Church Tuesday for a day of quilting. A pot luck lunch was served at noon. Those attending were Mrs. Bernice McKay and son, Mrs. Josephine Mitchell and granddaughter, Mary Lou, Mrs. Agnes Butler, Mrs. Ann Meyer, Mrs. Emily Jones, Mrs. Fern Whyers, and Mrs. Bulet Dicono.

Girl Scout Troop 136 met Tuesday under the leadership of Mrs. Gladys Green and Mrs. Bernice McKay.

The girls spent the time working on their Christmas project. They plan to finish the project at the next meeting.

When you are planning to use asparagus (from cans or jars) as the filling for rolled sandwiches, it's a good idea to marinate the spears in French Dressing. Drain the asparagus well before the buttered bread is rolled around them.

You can stretch creamed oysters by adding a can of sliced mushrooms - and the combination will taste good. Some of the mushroom liquid may be substituted for milk in making the sauce.

Civil Defense Procedures Explained To Coolidge PTA

Civil defense was the program topic at the Coolidge Junior High PTA meeting Monday evening in the all-purpose room of the school, where over 100 persons gathered to hear Mrs. Valerie Evenden explain local and national CD goals.

Charles Jungels, president, conducted a brief business meeting.

The members decided to give donations to the State Scholarship Fund and to the Illinois Congress of Parent and Teachers state headquarters building fund. This building is to be erected in Springfield, Ill.

Principal Ralph Frohardt showed a display of "lost and found" articles gathered since the school term began in September. Included were 137 items of clothing, 28 articles of physical education equipment, 125 pieces of jewelry, 51 locks and keys, and an assortment of pens and pencils, making a grand total of 356 items.

Frohardt explained that these items are in the office, and attempts to return them to the owners have failed.

A style show has been set for Jan. 26, with Mrs. Doris Thompson as chairman. The clothes will be modeled by the students and will be furnished by Helman's and Brattler's. There also will be a program of correct etiquette on teenage dating and manners after the style show.

A musical program was presented by Band Director Dan Todoff with four students, Jean Hoover, Jack Reinhardt, Pamela McCollum, and Paula Senak, playing a B flat clarinet, piano, and guitar. "Two Guitars," "Terry Van gave a trombone solo," "Chirp," accompanied by Donna Staydhar at the piano. "Fetich" was played by a mixed saxophone quartet. Barry Freeman, Larry Dillard, David Green, and Joyce Wood.

Mrs. Evenden told of the organization structure of civil defense from OCD to the local level, including the regional, state and county levels. A deputy CD director, she named all the local offices and the person in charge of each office, as well as their duties and functions, and said it takes all the offices working together to form one defense unit.

A map was displayed showing the fallout area of a simulated bomb dropped in the Scott Field area and one dropped in the East St. Louis area. She explained the extent that Illinois in civil defense alerts that are held periodically.

Mrs. Evenden also displayed maps showing the evacuation routes from the city and reception centers for use after the evacuation. On a table on the stage were the required food staples for one person for two weeks in case of an attack, as well as blankets, games, reading material and a portable radio. The games and reading material to keep one's mind occupied during the enforced inactivity.

A lively question-and-answer period followed the explanation, and Mrs. Evenden answered questions on what the school children should do if there is a warning, how parents and children would be reunited, who tells people to evacuate and how they find out where and how to evacuate.

Mrs. Evenden said that many more people are interested in civil defense than ever before and also are interested in knowing how they can help.

Literature is always available for any person or organization at the civil defense office in the council room of the city hall, and any civil defense member will explain how anyone interested may help, she reported.

ENGAGED: Miss Phyllis Phelps, daughter of Mr. and Mrs. Earl Phelps, 4808 Warnock avenue, whose engagement to Allen Holt, a son of Mr. and Mrs. J. A. Holt of Antlers, Okla., is announced.

Phelps-Holt Betrothal

Mr. and Mrs. Earl Phelps, 4808 Warnock avenue, are announcing the engagement of their daughter, Miss Phyllis Phelps, to Allen Holt, a son of Mr. and Mrs. J. A. Holt of Antlers, Okla. A graduate of Southern Illinois University, the bride-elect is presently teaching in the elementary schools of Aurora, Ill. Mr. Holt, a graduate of Oklahoma Baptist University, is now doing graduate work at the University of Illinois. Wedding plans are indefinite.

SOUR CREAM PIE TANGY DELIGHT

Pie for dessert is always a favorite way to end the meal. The pie suggestion today is differently delightful. It combines the tangy flavor of sour cream with dates and nuts and may be served with a side dish of unsweetened whipped cream if you like an extra touch.

- 1 cup dairy sour cream
 - 1 egg, beaten
 - 1/2 cup firmly packed light brown sugar
 - 1 cup finely chopped pitted dates
 - 1/4 cup chopped walnuts
 - 1 teaspoon grated lemon rind
 - 1/2 teaspoon salt
- Pastry for one 9-inch unbaked pie shell and lattice top.
- Combine filling ingredients and mix. Pour into unbaked pie shell. Cover with lattice top and flute edges. Bake in 425-degree oven 10 minutes. Reduce temperature to 325 degrees and bake until filling is set and crust lightly browned — about 30 minutes longer. Serve with unsweetened whipped cream, if desired. Yield: 6 to 8 servings, or one 9-inch pie.

LENOTHY LANE

When completed, the trans-Canada highway will stretch 5000 miles from St. John's, Newfoundland, on the Atlantic Ocean to Vancouver and Victoria, British Columbia, on the Pacific Ocean.

Mix equal quantities of cream cheese and Roquefort and serve in the cavities of fresh pear halves with salad greens. French dressing tastes good with this combination.

MRS. LOUIS BURGESS, the former Janet Huntley, daughter of Mr. and Mrs. Kenneth Huntley, 2561 Center street, who was married recently at St. Peter Evangelical & Reformed Church.

BAKED APPLES

4 firm, cooking apples
2 to 4 tablespoons sugar, brown or granulated
1/2 teaspoon each cinnamon and nutmeg
1 to 2 tablespoons butter

Wash, core and pare apples about 2 inches down from top. Place apples in baking dish with just enough water to cover bottom of dish. Fill center of each apple with sugar and spices which have been mixed together and a generous piece of butter. Cover and bake in 350-degree oven about 45 to 50 minutes.

You may uncover apples and leave in oven after heat is off for a few minutes, basting with syrup in baking dish to glaze them.

Note: You may want to adjust amount of sugar and spices, depending on how sweet and spicy you like your baked apples. Amounts given above are for rather tart apples.

Letter To Teacher Debated, Council Asks Withdrawal

A confidential letter sent to Guy M. Lahr Jr. by the City school board in September, reportedly relating to his actions as a school employee, was withdrawn by the board, it was told Tuesday night by Edw. J. Reiske, Tri-City Trade and Labor Council president. No withdrawal action was taken.

Reiske reported a widespread feeling that "the letter can be used against him and that teachers think, 'They're picking on our president.'"

A teacher at Webster grade school, Lahr is president of the local staff of the 1950-51 term and said the council feels Lahr is being discriminated against because of his union activity.

School Board President Homer Huber said the council was the board's assurance "in black and white" that the letter did not relate to union activity. Asked by Reiske to state that it was not a reference to moral character, Huber said, "If it was, there would have been charges and a hearing."

Require Ethical Standards

He added that all teachers have nothing to fear if they do their jobs and live up to the ethical standards expected of professional people.

Counseled frequently by two other council officials, Roy Logan and John Blinn, who in turn were counseled by Lahr, Reiske discussed the issue in detail at the public board meeting. Huber, who called an hour-long private session to decide whether to review the letter with Reiske, represented the board in the discussion when the public session was resumed.

Nothing that the council has 23,000 members and represents individual locals when it feels there is discrimination against a union leader, Reiske said. The letter has become public knowledge and asked, "Don't you feel you are hurting him?" Huber replied, "If the letter had been treated as a letter between the board and Guy, everybody would have known about it."

As Huber repeatedly said equal standards of conduct apply to all 470 teachers, Reiske charged that Lahr was being singled out and said, "This was the only letter you sent." The board president said, "You don't know that. We've had problems with other teachers." Reiske amended his comment to say that the letter was the only one that "came to us."

Reiske asked if the entire board was familiar with it, and agreed to send the letter. Board Member Monroe Worthen disagreed, saying that the action was decided on "by a majority."

No "Private Eye"

Saying that the letter mentioned surveillance, Reiske urged that school employees be treated as adults and not as children. Huber said the district does not have a "private eye," as some public agencies have, but it feels that employees should be supervised because they influence children and set an example for them.

Reports indicate that the letter advised Lahr that he was under surveillance due to actions allegedly holding the board up to public ridicule. Contents of the letter again were withheld by both parties Tuesday night, although Lahr urged Reiske to read it publicly if the moral issue was not clarified.

Small fry cooks: they'll enjoy cutting rounds out of a sheet of sponge cake, using cookie cutters. Then the rounds may be frosted and decorated. The raggle-taggle ends of cake may be used instead of bread in a pudding, but the regular amount of sugar will probably have to be decreased.

Fire Chiefs Urge Yule Tree Home Precautions

Area fire chiefs today warned of Christmas tree hazards, urging all homeowners to exercise extraordinary precautions in the selection, lighting and decoration of their Yule trees.

Fire chiefs drew attention to the fire prevention suggestions issued by the National Board of Fire Underwriters, setting out safeguards in the matter of setting up the tree, in the use of fire-proofed decorations and lighting.

The Underwriters recommended that a small tree be chosen instead of a large one, noting it can be just as beautiful and less hazardous as a big one.

Other rules underscored by the chiefs in their fire-prevention suggestions, are:

Keep the tree outside until you are ready to install it.

Set the tree in a place where it does not block a doorway, and it is best to set it up in the coolest part of the room, away from radiators, heaters and fireplaces.

Use fire-proof decorations of glass or metal, avoiding cotton or paper decorations.

Set up electric trains away from the tree.

Make sure the strings of electric Christmas lights are in good condition. Discard sets with frayed wiring. When buying new sets, look for the U. (Underwriters' Laboratories) label.

Lighted candles should not be used on trees.

There should be a switch some distance from the tree for turning off and on.

Don't leave the tree burning away from home.

Inspect the tree from time to time to see whether needles are falling. If they have, change the position of the lights.

Take the tree down and discard it outdoors when needles start falling.

Hundreds of toys, both old and new, were contributed by children of the Tri-Cities to the two local Legion posts as admission to a benefit matinee which was given last Saturday at the Washington theatre. These toys, together with many received from other sources, will be distributed at Christmas by the Legionnaires to unfortunate children in this community.

L. H. Kahle of Venice township, former member of the executive committee of the Madison County Farm Bureau, last week was presented with a gift by the members of the bureau in appreciation of his long and faithful service. He was on the executive board since the organization was founded by President John E. Mills. Kahle made a short talk after receiving the gift, outlining the growth and progress of the Farm Bureau.

Arrangements are well underway by the Madison police department for their 14th annual ball, which will be held Dec. 10 at the Hollywood hall on Seventh and State streets. As in former years, the entire proceeds will be used to provide Christmas treats of candy, nuts and oranges for unfortunate children of that city. As a special feature of the evening, Chief Ray Buchman has secured the St. Louis Metropolitan Police quartet, which will present several selections. In former years a Christmas tree has been erected in front of the village hall, and it is intended to follow the usual custom again this year.

The Women's Missionary Society of the First Presbyterian

Faith, Springfield, Ill., former pastor of St. Mary's Catholic Church in Madison, will speak on "Communism" at three days of spiritual meditation activity at St. Joseph's Catholic Church in this city. The services will be held nightly for men only on Dec. 5, 6 and 7, beginning at 7:45 p.m.

Mr. and Mrs. George Flicoff of Sixth street in Madison were hosts at dinner last evening to Mr. and Mrs. Donald Higgins of Granite City and Mr. and Mrs. Christ Louis of Madison.

Rev. E. A. McFarland was called for his second year by the congregation of the First Christian Church at a meeting of the church board last night.

Kenneth "Splice" Wilson of this city has been chosen as the "most valuable" player in the Little Nineteen conference in a poll conducted by a press association. Wilson, who plays half-back at McKendree College, also was awarded that position on the first all-star team. He captained the McKendree football team and figured in other major sports. He is a senior student.

While a student at Community high school, "Splice" was an outstanding basketball player. Rabbi Ferdinand M. Isersman of St. Louis will be the principal speaker at the tenth anniversary celebration of the dedication of the YMCA in this city on Jan. 1, 1936. It was announced Saturday by Elmer O. Hill, secretary.

Dogs got into the goat herd of William Kaiser last Friday and injured five, two so severely that they died today. Mr. Kaiser sought the best veterinary service to be had because the two that died were his best and favorite milkers. He told the reporter that they produced five quarters of milk per day.

The senior class of Community high school will present "Dollars to Doughnuts," a fast-moving comedy, in the auditorium Tuesday night, Dec. 10, at 8:15 p.m. Edith Barnhart and Jerome Tratter play the leading roles. Others in the cast include Joe Barstene, Olga Zegedich, Geraldine Reading, Sara Fosstick, Adolph Weiss, Demetrius Russell, Verne Duncan and Lorraine Hildebreth.

Church met as usual Friday afternoon in the social rooms of the church, Mrs. Walter Coolidge presiding. Mrs. Charles Pauly was a guest for the afternoon, and gave a stewardship program. There were short interludes from Slane contributed by Mrs. Walter Kerch, and Mrs. C. W. F. King gave an excellent review of the book "Machine Age in the Hills" by Malcolm Ross.

Madison high school cagers won their first game of the season Saturday night, defeating Venice high school 40 to 18 in a one-sided contest. The game was played in Venice. In a pre-season tilt, the Madison reserve team also defeated the Venice second string, 25 to 16. Venice will open its conference season Friday night at Highland. Madison plays another non-conference tilt Saturday with Duplo.

The Eighth Precinct Democratic Club is sponsoring a public dance Saturday night, Dec. 14, at the Hungarian Home. It was announced today by Alderman L. P. Logan, president. All the proceeds will be used for a Christmas tree and treats that will be distributed to children in the precinct. Logan said the club will have a Santa Claus at the Hungarian Home to give the treats away.

GOLDEN ANNIVERSARY COUPLES of the First Assembly of God Church who will be honored at a special service Sunday evening. Pictured (left to right) are Mr. and Mrs. Oscar McGriff, Mr. and Mrs. Frank Bennett, Mr. and Mrs. Ralph J. Huffstutler, Mr. and Mrs. Virgil Price, Mr. and Mrs. William Zinser, Mr. and Mrs. Edward Henson, Mr. and Mrs. Oliver Cherry, Mr. and Mrs. John Spengler, Mr. and Mrs. Charles Talley and Mrs. Guy Pitchford, whose husband was not present when the photograph was taken.

Service At First Assembly

Church Will Honor 11 Golden Wedding Couples

A "golden wedding anniversary service" will be held at 7 p. m. Sunday, Dec. 4, by the First Assembly of God Church, 24th street and Grand avenue, to honor the 11 couples of its congregation married 50 years or longer.

The 11 couples represent 588 years of married life, regarded as a unique record of marital longevity. Their wedding vows will be renewed during the canticle service, which will be conducted by Rev. Paul A. Evans, pastor.

Processional Of Couples

The church will be decorated with flowers, and the service will begin with a processional of the couples. Favorite hymns of the group will be presented. Rev. Evans will introduce the honorees and deliver a brief sermon before conducting a simulated wedding ceremony, with some of the phrases changed to recognize the many years of marriage. Rings will be presented to each of the 22.

Two 60-Year Couples

Two of the couples have passed the 60-year mark, Mr. and Mrs. Frank Bennett having been

married for 62 years and Mr. and Mrs. Virgil Price for 61 years.

The list also includes Mr. and Mrs. Ralph J. Huffstutler, 58 years, Mr. and Mrs. Charles Talley, 53, Mr. and Mrs. Oliver Cherry, also 53, and Mr. and Mrs. Guy Pitchford, 52. The remaining five couples are in their fiftieth or golden anniversary years. They are Mr. and Mrs. William Zinser, Mr. and Mrs. John Spengler, Mr. and Mrs. Oscar McGriff, Mr. and Mrs. Edward Henson and Mr. and Mrs. Lewis Hagler.

The group includes four persons who are charter members of the church, dating back to issuance of the charter in 1920. They are Mr. and Mrs. Cherry

Rev. Norma Brown To Speak Here Sunday

Rev. Norma C. Brown of the administrative staff of Eureka College will speak at the Woman's Day service at 10:40 a. m. Sunday, Dec. 4, at Central Christian Church, 2020 Johnson road.

Miss Brown's work at Eureka is that of associate director of development, with special responsibility for speakers' bureau, news bureau, alumni work, and related aspects of off-campus service and information. Her experience includes pastoral, editorial and administrative work and a repeated covering of the nation on the lecture platform. She is now in her sixth year with Eureka College, from which she was graduated, and to which she returned from a pastorate of eight years in Mt. Sterling, Ill.

A daughter of Rev. R. D. Brown, a former minister at Central Church, she has served as a member of the Illinois Commission on the Ministry and was vice-president of the 1957 state convention of the Disciples of Christ. She is currently a member of the National Home and State Missions Planning Council of the Disciples of Christ, assigned to the committee on Christian service.

Auto Fire

Firemen from the downtown station were summoned to Kirkpatrick Homes about 3:30 a. m. Monday because of a fire in the motor of a 1958 auto belonging to Wilburn Wright. No damage was reported.

Mr. and Mrs. Hagler: The Cherrys became active in the church that year and the Haglers have been associated with it since 1913, participating in rental of the first building used by the congregation.

GUEST SPEAKER, Rev. Norma C. Brown, of Eureka College, who will be speaker at the Woman's Day service at Central Christian Church, 2020 Johnson road, on Sunday.

Accident On Madison Ave. Involved in an accident Monday afternoon in the 2100 block of Madison avenue at St. Elizabeth Hospital were autos of Leaman McMurry, 39, of 536 Bend road who was pulling away from the curb, and Amanda Coleman, 1100 Calhoun street, Venice, whose auto was parked. Police said there was fender damage to both cars.

Hospital Auxiliary Enrolls Seven, Plans Bazaar

Seven new members were welcomed by St. Elizabeth's Hospital Auxiliary at a meeting Monday evening. They were Mrs. Golda Coleman, Mrs. Irene Mercer, Mrs. Alice Koesterer, Mrs. Edna Kohlbrecher, Mrs. Joyce Preichelt, Mrs. A. M. Brown and Mrs. Rita Hart. Mrs. Elizabeth Kelly, president, was in charge and a report was made on the state conference attended recently by Mrs. Kelly and Mrs. Peter Argelan. Mrs. Kelly expressed her thanks to all who assisted at the hospital dedication Sunday, and final plans were made for the annual bazaar and a bake sale which will take place at the hospital Dec. 5.

Those assisting will be Mrs. Argelan, Mrs. Catherine Piel, Mrs. Helen Bergfeld, Mrs. Victoria Portell, Mrs. Mabel Gaston, Mrs. Eva Hansel and Miss Marie Zimmer. A Christmas party for the nurses to be held Dec. 5 was also planned. Beginning this month the Auxiliary also will make tray favors one day each month.

Prizes for the evening were won by Mrs. Dorothy West, Mrs. Clara Bruder and Mrs. Mary Simon. After the games refreshments were served to 45 members by the sisters at the hospital.

PEO Observes Ninth Birthday With Party

The home of the president, Mrs. Bernard Miller sr., 1202 Twenty-seventh street, was the scene Monday evening of the ninth birthday party of Chapter HT of the P.E.O. Sisterhood. Relating the organization's history, it was pointed out the group is the largest exclusive women's secret organization in the world. The Sisterhood was founded in 1869 in Mount Pleasant, Ia. The local chapter was organized Nov. 2, 1951. Its work is literary, philanthropic and educational and its major projects include the Education Loan Fund, Cottey College, and International Peace Scholarship.

A dinner at 6:30 was a highlight of the party, and 20 members and one guest, Mrs. Dorothy Bueger of East St. Louis, a member of Chapter HR and a former Granite Cityan, were present.

A gold star theme was carried out in the appointments and favors, forming an attractive setting for the affair. The program for the evening consisted of tape recordings of songs since 1900 played by Mrs. Helen Miller.

Party co-hostesses with Mrs. Miller were Mrs. Joyce Walters and Mrs. Dorothy Kerch. A party for the B.L.L.s is planned by the chapter for Dec. 8 at 6:30 p.m. at the Elk's Club. The hospitality committee will be in charge.

Perfume 'Round the Clock

Q—Dear Jane: I adore perfume, but for some reason or other its fragrance just does not last on me. I have told several of my friends that I want a new perfume, but find I must find out about a lasting one.—Mrs. G. B.

A—A particularly good idea for women who claim that perfume does not "stay with them" is a Liquid Skin Sachet. It smooths on the skin very easily, and lingers longer because of its sachet base. It has a slower rate of diffusion and evaporation than any other type of fragrance and was originated by Houghton. Try their Chantilly Liquid Skin Sachet. Only \$2.50 plus tax at Hub Drugs.

SCIENCE DEMONSTRATIONS tomorrow at Central Junior high and Granite City high school will include this "no hands" suitcase, which spins by itself on a turntable, showing gyroscopic principles that will guide space ships.

Autos Collide

Involved in a collision Tuesday afternoon at 29th and Iowa streets were autos driven by James O'Master, 31, of 2224 Iowa street; who police said was traveling south on Iowa street, and Alvin R. Taylor, 29, of Collinsville, who was going east on 29th street. No injuries were reported.

Science Progress To Be Demonstrated On Friday

Science will come alive in Granite City when the world-famous General Motors Previews of Progress comes to town this week. Presented in language and demonstrations all can understand, the show will be given at 10 a. m. tomorrow at Central Junior high school and the same day at 1:15 and 2:15 p. m. at Granite City high school.

A miniature car actually powered by the sun, a roaring jet engine and synthetic rubber that leaps from a pop bottle are a few of the parts of the fast-moving 45-minute stage show. Staged to dramatize science's role in industrial progress under America's free economy, it is viewed by more than three million students and adults each year, and many more see it on television.

"We seek through Previews to inspire more young people to make science their career and provide the trained talent America must have to keep pace with the promise of the future," John P. Gordon, president of General Motors, has explained.

Other demonstrations by the two-man Previews team will include another example of sun power—the fuel cell in which "liquid sunshine" provides the power for a portable radio. They also will show how television shows are sent across the nation and how space ships of tomorrow will be controlled by the same whirling gyroscopes that guide today's ships, planes and rockets.

Besides the seven teams operating in this country, Previews units have toured Europe, South Africa, Australia and New Zealand. Total worldwide audience has now passed 23 million. Previews has won acclaim from educators and civic and fraternal organizations for its success in awakening both students and adults to the importance of science in daily life and the need for more skilled hands to carry scientific progress forward.

\$250 Fire Damage

Damage to a garage and fence was estimated at \$250 as the result of an alley rubbish fire Tuesday afternoon. Firemen from the main station who answered the alarm about 2:10 p. m. said the property was owned by an N. Matosian.

Carolers 'Tuning Up' For Yule Chorusing

Christmas carols, anthems and the traditional, well-beloved canticles of the holidays will sound out from many voices again this season figuratively to enfold the Quad-Cities in glad-some song.

Carolers—the young, teenagers and church chorists—are currently "tuning up" to bring the Christmas music of peace and goodwill to the ill, the shut-ins, the lonely, to residents of all neighborhoods, churches and fraternal organizations.

Included among this year's caroling units will be Girl Scouts, church choirs, the Salvation Army, nurses, fraternalists, Hi-Y and Tri-Hi-Y teen-sters along with a group of shut-ins, the lonely, to residents of all neighborhoods.

During the Christmas season, they spread their carols on a far-flanking zone, to the hospital, to the homes of the ill and of shut-ins and cities' neighborhoods.

2-Trailer Truck In Crash At 20th And Madison

A truck pulling a double trailer was involved in an accident Tuesday at 20th street and Madison avenue where the truck, traveling east on 20th street, was making a right turn and the brakes on the second trailer locked.

The trailer swerved into the westbound auto of Ronald Buckle employees.

During the Christmas season, they spread their carols on a far-flanking zone, to the hospital, to the homes of the ill and of shut-ins and cities' neighborhoods.

Howell-Based Nuptials At Evanston

Mr. and Mrs. Howard Baseden, 1500 Joy avenue, are announcing the marriage of their daughter, Miss Frances Kaye Baseden, to Jerry D. Howell, a son of Mr. and Mrs. Artie Howell, 2129 Washington avenue.

The wedding of the couple took place Thanksgiving Day at the Covenant Methodist Church in Evanston, Ill. The candlelight double-ring ceremony was performed at noon by the Rev. Edwin C. Hunt and after the service dinner was served to the immediate families at the home of the bride's uncle and aunt, Mr. and Mrs. W. C. Smithers, in Wilmette.

The bride wore a dress of autumn green with cream brown accessories and held a nosegay of gardenia on a small white ribbon. She was attended by Mrs. Smithers as matron of honor, and Mr. Smithers was best man. After a brief honeymoon trip, Mr. Howell and his bride will reside at 3336 Bertrian avenue, Chicago, where both have been employed for some time.

Relatives from Granite City attending the wedding were the parents of the bride and groom and the bride's maternal grandparents, Mr. and Mrs. H. Hulse, and the bridegroom's brother, Conley Howell.

MARRIED IN PARSONAGE CEREMONY

Announcement has just been made of the recent marriage between Mrs. Betty Jane Heinks, 1024 East 23rd street, a daughter of Mr. and Mrs. P. G. Dougherty, 2121 Edison avenue, to Carlos Ray Nugent, 308 State street, Madison.

The ceremony was performed at 3 p.m. Saturday at the parsonage of Niedringhaus Memorial Methodist Church by Rev. Vernie Barnett.

The bride wore a brown and beige walking suit with matching accessories and a corsage of white carnations. She was attended by Mrs. Gertrude Kinslow in beige with a pink carnation corsage. Joseph Lowery was groomsmen.

The newlyweds are residing at the East 23rd street address. Both are employed in St. Louis.

Since evergreens stay active during the winter while other plants are dormant, they need a good supply of water before the ground freezes.

Party Honors David Brewer

David Brewer, 14 Riviera drive, who enlisted in the U.S. Air Force and left Monday for training at San Antonio, Tex., was guest of honor this week at a surprise farewell party given by Miss Jo Ann Huber, daughter of Mr. and Mrs. Homer Huber, 4121 Maryville road.

The party was held at the Huber home and guests attending most of whom were schoolmates of the hostess and the honoree, were Cookie Sparks, Joy Fedura, Myra Willard, Barbara Ryan, Diane Simpson, Elaine Trsowick, Sherry Reinhardt, Nancy Brewer, Pamela Russell, Ann Johnson, Ann Rich, Jerry Wallace, Robert Bell, Curly Ellis, Robert Harris, William Ridings, Wayne Brewer, David Dumoulin, Ernest Taylor, Edward Craft, Charles York, William Ridings, Edward Bain, John Danco, Larry Druke, Kenneth Druke, Mr. and Mrs. William Brewer, parents of the guest of honor, and Mr. and Mrs. Huber.

Garden Clubs Regional Meeting Held Here

Approximately 100 persons attended the President's Day Council and guest day meeting of the Region Five, Garden Clubs of Illinois, held at St. John United Church of Christ, 2901 Nankin road, Wednesday.

Luncheon was served at noon at tables artistically decorated for the occasion with red candles and evergreens and small handmade Christmas corsages of red and green tied with red ribbons. Mrs. Edward L. Fischer of Overland, Mo., nationally known lecturer, entertained the group with an outstanding program on "Christmas Arrangements." She is well known to garden club members in this area and was arranger at the Jackson Perkins Rose Festival, and speaker and arranger at the Central States Regional meeting in Wisconsin. Granite City federated garden clubs include the Garden Stars Club, Gardenaires and Cloverview represented by their presidents, Mrs. Abner Branding, Mrs. Stanley Young and Mrs. William Ogden.

The director of the Garden Clubs of the Region, Mrs. William Klotz of Belleville, conducted the meeting and the following past directors given special recognition were: Mrs. Carl Prael, East St. Louis; Mrs. Harry Rosinos of Edwardsville; Mrs. A. V. Strech, and Mrs. S. P. Shea, Belleville. Garden Clubs in Belleville, East St. Louis, Mascoutah, Edwardsville, Wood River, Collinsville, Cahokia and Granite City were well represented at the meeting.

ATTEND COUNTY MEETING IN ALTON

A number of local people were in Alton Monday evening to attend a meeting of the Madison County Federation of Community Committees held at Rock Springs Park Community Center.

County Superintendent of Schools Wilbur Trimpe spoke on the topic, "Drop-outs and Truants—What Can the Community Do About It?" and a program of songs and dances was given by members of the Rikpatrick Homes Pre-Teen club. Kathy Johnson sang a solo and there was a baton twirling exhibition by Brenda Sorenson, a solo by Carol Seely and a dance by Michael and Donna Duval.

Those from the Quad-Cities attending were Sgt. and Mrs. Stacey Walker, Mr. and Mrs. LeRoy Mangiaracina, Mrs. Clarence Sorenson, Miss Marilyn Champion, Mrs. Mary Duval, John D. Blum, J. W. Hampton, Mrs. Mildred Boyd, Mrs. Annetta Stultz, and Charles E. Fisk Jr.

The December meeting will be dispensed with due to the Christmas holidays, and the group will meet again on Jan. 30.

DINNER PARTY FOR CLUB

The Evening Club met Tuesday with Mrs. Bernice Spaich, 3209 Davis avenue.

A traditional Thanksgiving dinner was served at a table appointed in keeping with the season.

The birthday of Mrs. Pearl Keck was celebrated by the group and plans were made to attend a dance Dec. 17 at the Moose hall.

Those attending the dinner party were Mesdames Minnie Thomas, Sophie Thomas, Keck, Marion Davies, Betty Green, Ruth Matzer, Faye Mercer, Jean Stopkotte, Jo Ann Sydzek and Vivian Forshee.

The next regular meeting will take place Dec. 20 in the home of Mrs. Keck, 2604 Hodges avenue.

'Safe Driver' Insurance Plan To Start Today

A new "Special" automobile policy and a "Safe Driver" rating plan has been filed with the Illinois Department of Insurance by the National Bureau of Casualty Underwriters and the National Automobile Underwriters Association, and the program is being inaugurated today.

Commenting upon this new merit system for Illinois drivers, Gov. William C. Stratton said: "This is a step forward in the drive for traffic safety. The proposal to increase rates in cases of violation of drunken driving and other laws adds a new incentive for drivers to obey the law and protect their safe driving records."

The "special" automobile policy is a "package type" policy that extends certain groups of coverages in one policy which makes possible lower cost insurance.

Director of Insurance Joseph S. Gerber stated that use of the "Special" automobile policy and the "Safe Driver" insurance plan will become effective today, Dec. 1, 1960, for insurance companies associated with the National Bureau of Casualty Underwriters and the National Automobile Underwriters Association.

Savings Possible
The "Special" automobile policy includes, as a "package" policy, liability, collision, comprehensive and other insurance coverage designed to meet the needs of the individual motorist at an overall saving to most motorists of approximately 10 percent under the cost of comparable coverages if bought separately.

The "Safe Driver" plan will provide an additional saving of as much as 15% for most car drivers who have maintained a clear driving record for the last three years.

The "Special" policy and "Safe Driver" programs are being introduced in Illinois without any increase in basic premiums for automobile bodily injury and property damage insurance.

Basic premiums for collision and comprehensive insurance have been adjusted so that the over-all saving for these coverages is approximately \$200,000 a year for Illinois motorists.

For private passenger cars, changes in premiums for \$50 deductible collision insurance vary by geographical area and range from a reduction of 14% to an increase of 7%, resulting in an average state-wide reduction of 2.7%. Changes in premiums for the lower cost \$100 deductible insurance range from a reduction of 8% to an increase of approximately 12% and result in an average state-wide increase of 4.5%.

Revisions of comprehensive insurance premiums for private passenger cars also vary by territory and range from a reduction of 10% to an increase of state-wide increase of 3.6%. Comprehensive insurance covers such perils as fire, theft, windstorm, flood, hail and glass breakage.

For commercial vehicles operating within a radius of 50 miles, collision insurance premiums are reduced approximately 7%.

Plan Holiday Dinners At Scouters' Meetings

A festive note will be added to several of this month's meetings of adult scouters due to the approaching Christmas holidays.

Boy Scout troop leaders and scouters and their wives will attend a pot luck supper in connection with a monthly Unihav district roundtable meeting, 6:30 p.m. Tuesday, Dec. 13. A highlight will be showing of motion pictures of the Pete Carich family at the Philmont scout ranch training center in New Mexico.

Unihav commissioners will meet at 7 o'clock tonight at Wilcox school to discuss achievement award and recruiting progress and to view a film, "Footsteps of the Pioneers." Then, on Saturday, Dec. 10, they and their Mount Council commissioners will have a Christmas dinner party at a Grantfork, Ill., restaurant. A chicken dinner will be served, and the national jamboree film taken at Colorado Springs, Colo., will be shown.

The December roundtable meeting of Unihav club leaders and den mothers will be held at 7:30 p.m. next Tuesday at Niederrhein school, with a South American theme. A special handicraft session is planned.

Three Construction Permits In Venice

Three building permits were authorized in Venice during November, with the construction cost amounting to \$15,850.

George H. Wilson will add an 18x12-foot frame room to a four-room home at 1005 Russell street at a cost of \$700, while Ben Mangiaracino plans a \$500 one-room 12x11-foot frame addition to a four-room residence at 1252 Oriole street.

In a \$350 project, Joe Radman will enclose a 10x10-foot back porch to create an additional room at 1118 Calhoun street.

GRAND OPENING of Joe Michel's Men's Shop in its new location, 1922 State street, will be held tomorrow and Saturday. The store features men's clothing as well as tailoring and alterations.

Clearing House Opens, Procedures Explained

The new Christmas Clearing House for Quad-City Christmas giving to the needy went into operation Monday. Located at 1824 State street, it is being contacted by needy families and by organizations planning to give holiday aid. Applications for Christmas food baskets will continue to be received.

Granite City PRESS-RECORD

taken by Protestant Welfare, Catholic Charities, Salvation Army and American Red Cross at in the past, it was emphasized this week by John D. Solenberger, United Fund director. "Formation of an expanded clearing house for agencies and clubs through the Salvation Army has in the past reduced the program of the other agencies," Solenberger explained. Distribution of baskets by the various groups will be continued. Church groups, clubs or other organizations which in the past have secured names of families to receive their gift baskets from either the Protestant Welfare or Catholic Charities should continue to use these sources, Solenberger explained. Checking of names through the Clearing House will be handled by each agency.

The cross-checking procedure with the Clearing House, to be operated by the Salvation Army, will mean that more families will share in the number of baskets available, as duplications will be discovered and the Christmas relief received by a family will be in better proportion to its need, he added.

Shooting Followed Auto Mishap, Police Report

Venice police reported Tuesday that shooting of an auto tire Nov. 30 followed a collision in which the auto of Mrs. Evonne Settles, 2924 Dale avenue, struck the parked auto of Norman Adams near 500 Main street.

Mrs. Ruth Harper of Granite City, who was following the other car, also halted and it was her car's tire that was damaged, police said. Adams, fined \$35 for destroying property and discharging a pistol, was quoted as saying he feared they would leave the scene before officers arrived to make a report.

Bid For City Sewer Truck Under Study

A bid for a truck chassis of which to mount the city's new sewer manhole cleaning machine was presented to Granite City council members Monday night and referred to the Street and Alley committee for recommendation.

Only one bid with two proposals was received and a decision is to be made for purchase of either a used or new chassis. The bidder was Brewer Motor Co., 2163 Madison avenue. In presenting the bid, Alderman Samuel Whitner, chairman of the committee, said the manhole cleaner has been ordered and that Brewer submitted a bid of \$2138 for a used truck chassis and \$3318 for a new chassis which meets the specifications. Repairs to two sanitation department trucks were authorized on recommendation of Alderman Frank Nemeth, chairman of the Sanitation committee. A new motor, costing \$545, is to be installed in one truck on a proposal by Brewer Motor Co. The firm also submitted a figure of \$445 to overhaul the present truck motor which burned out last week, Nemeth said.

Andy & Johnny's Body Shop was awarded two repair jobs for the city humane department truck. The firm bid low, \$61 to replace a "rusted-out" rear fender and \$177 to repair damages to the front of the truck resulting from an accident over the past weekend. City Atty. William Beatty was instructed to determine if the other party involved in the accident should pay the repair costs.

Mitchell Kivanians See European Travel Film

A film, travelogue, "Europe and You," was shown to Mitchell Kivanians Monday night at the service club's dinner meeting at Smith's cafe. The showing was by Robert Franko, club president.

Plans were advanced for formal installation of new officers early in January. Four Glen Carbon Kivanians were guests.

Michel's Men's Shop To Hold Grand Opening

Joe Michel's Men's Shop, 1922 State street, will hold its grand opening observance tomorrow and Saturday, with free gifts to be presented. It was announced today by the proprietor. Formerly known as Joe's Tailor Shop, the store moved from 18th street to its new location this fall. Michel has been in business in the Quad-Cities for the past 27 years. The store still offers tailoring service, alterations and "made-to-measure" clothes. Michel said. It has added complete lines of men's clothing and furnishings.

Interviews Next Tuesday In Alton For State Jobs

Representatives of the Illinois State Department of Personnel will be in Alton next Tuesday to interview and examine applicants for State Merit examinations. State Director of Personnel Robert E. Perez announced today. There will be various examinations available in the institutional, professional and technical fields. Some of these examinations require no previous experience.

The State Merit examinations include such diversified fields as: animal pathologist, elementary, secondary or institutional teacher, guard, laboratory or X-ray technician, nurse, occupational therapist, procedural auditor, psychologist, radio operator, technician, recreation worker, statistician, social worker, veterinarian, warder. The representatives will be available to interview and examine applicants from 9 a.m. to 5 p.m. at 87 Henry street, Alton, on Dec. 6.

Choir Will Present Sacred Concert

A singing group from Southwestern Illinois will present a concert Sunday evening, Dec. 4, at 7:30 o'clock at Trinity Methodist Church, 2542 East 25th street, according to an announcement by the pastor, Rev. James T. Bryant. The singers are a choir group from Valire and the one and one-half hour program will consist chiefly of Gospel songs.

'Brightest Days' Wins Toastmaster's Award

Granite City Toastmaster's club's best speaker citation went to Earl Tucker, St. Louis beauty shop operator, who spoke on "The Brightest Days Are Yet to Come."

He spoke at the club's meeting at Cline's restaurant. Monday night's toastmaster was Marvin Dean. Award for best critic went to Dr. Charles Hiles; that of best evaluator to Herman Greve.

Second session of the Toastmasters' School of Speechcraft was held Monday. Early in January, according to Charles Withers, opportunity to participate in the organization's speechcraft school will be made available to the public. He said interested individuals who want to improve their speech delivery, enunciation and pronunciation are welcome to join.

GC Trust & Savings Bank Observing 50th Anniversary

As it steps into the second half of a century of service, bulwarked by 50 years of stability, achievement, integrity and growth, the Granite City Trust and Savings Bank next week will hold a golden jubilee celebration—and it will be a Quad-Cities event of expansive proportions.

Properly to mark and commemorate its 50th birthday—always an important milestone—the bank has decreed not one but five festive days.

First off, Monday evening, Dec. 5, a "family" birthday party at which a buffet dinner will be served at the bank beginning at 6 o'clock. Stockholders, bank officials and the staff and their families—some 300 to 400 strong—will set the stage for their anniversary parties to follow.

Next, the financial institution, second oldest in Granite City, has set aside Wednesday and Thursday evenings, Dec. 7 and 8, to play host to colleagues of the banking world, educators, clergymen, industrialists, city officials, businessmen, labor leaders, business executives, jurists, representatives of the professions, civic church, youth, welfare and charitable organizations and service clubs.

Invitations have permitted an alternative choice of dates.

Open House Dec. 10, 11

Finally, and perhaps most importantly, the bank will reach out to share its golden jubilee with all Quad-Cityans. This will be an open-house, come-one, come-all party from 2 to 6 p.m. Saturday and Sunday, Dec. 10 and 11.

And reversing the usual order, the bank will have birthday gifts

for its weekend guests. There will be a lot of presents for men, women, the kiddies. A special 50th anniversary souvenir booklet will be distributed free; the lobby will display a numismatic exhibit, a goldfish bowl of money will test guessing skills and other inducements to join in the fun.

The Granite City Trust and Savings Bank's founding day was Dec. 10, 1910. That was back when William Howard Taft was president. And through the years of wars, depression, local triumph and catastrophe, industrial and commercial growth and development, it has survived.

The bank, on many fronts, is spreading up, and increasing the scope of its services and facilities for its 50th birthday. Its face is being freshly scrubbed—that is the facade at 1909 Edison avenue is being sandblasted. A carillon of chimes has been installed atop the building to trumpet periodically and there are additional parking facilities for customers.

Time, Temperature Clock
And that's not all in any wise. A new Granite City first, a time and temperature clock, it is expected, will be up by next week. It will replace the old, landmarking timepiece long a familiar of the midtown sector.

A new sidewalk teller's window has been installed, as well as new exterior lighting. Henry D. Karandjeff, chairman of the board and one of the deans of Illinois banking, today explained the three-stage, steps of the golden jubilee celebration.

Explorers Visit Chicago
Members of Explorer Post 54, a unit sponsored by the Granite City Steel Co. Management club, were in Chicago early this week for sightseeing and study of vocations, the post's specialty. The trip was financed by a box chicken dinner given by the boys. Attending were Leonard Ham and Ovid Sperry, advisors, and Ken Black, Dan Ham, David Hancock, Jim Harrison, Gene Potter, James Harsh and Bob Hogan.

MFT Funds Sought For 3 GC Streets

Improvement to sections of three streets with state motor fuel tax funds is being sought by Granite City council members who Monday night approved an application for funds for two projects and authorized preparation of an application for the third street.

The state is being asked for \$30,000 for improvements to two streets in West Granite—Nevada avenue from Rock road to West 23rd street, and West 23rd street from Nevada avenue to improvement of Woodlawn avenue from Maryville road to Franklin avenue.

The two West Granite streets are to be improved with a 34-foot asphalt pavement, curbs and gutters and related drainage. Specifications for the Woodlawn avenue project will be prepared by the city engineer.

Mayor Davis Organizes Political Club

Preparing for next April's city election, Granite City Mayor Leonard R. Davis has obtained a state not-for-profit corporation charter for an organization known as Citizens of Granite City for Political and Civic Improvement.

The charter, issued this week from the office of Secretary of State Charles F. Carpenter, lists the officers as Leonard R. Davis, Louis F. Mathenia and Rollo Winters, and gives the headquarters as 21st street and Cleveland blvd., the location of the mayor's residence and funeral home.

Mayor Davis said the organization of men and women has approximately 200 members and meets once a month at the Carpenters' Hall, 23rd street and Washington avenue. The women's group meets on the third Thursday of each month and the men's group on the third Friday.

"Later, as April nears," the mayor said, "there'll be joint meetings of the men's and women's groups."

American Steel 25-Year Club Banquet Set For Tuesday

The 17th annual meeting and banquet of the American Steel Foundries 25-Year Club will be held next Tuesday at the Madison Memorial Center, where 12 employees who have completed 25 years of service with the local plant will be awarded watches. New members of the 25-Year Club are Alvan N. Homan, 2545 Adams street; Anthony Fogure, 2603 Iowa street; James E. Worthen, 2837 East 28th street; Charles E. Ward, 2805 Oregon avenue, all of Granite City; Arthur White, 704 Jefferson street; Madison; Edgar Woolfolk, 1034 Douglas street, Venice.

Louis Johnson and Otis Woodley of Lovejoy; Leo Musielak of East St. Louis; and John Jones, George D. Jordan and Mitchell B. Milonski of St. Louis.

Those elected to honorary membership in 1959 include Frank L. Bailey, Louis P. Clair, Fred Colker, John Collins, Israel Giger, Cenobio Gonzalez, Andrew Hill, Lawrence Long, Emil Pozarich, Andy Schultz, Sam Segedy, Mike Segedy, Steve Segedy, Sidney L. Smith, Dan Tilton Jr., Clio Triggs, Otto Vetter, Eugene Walsh, McKinley Washington, R. W. Wet-

ton, W. M. White and Jerry Wren.

With the new members, the club's membership will total 301, including 134 honorary members.

The club was organized in 1934 for the purpose of promoting good fellowship among employees with long service at the plant.

The present officers are Arthur T. May, president; Joseph F. Vrelic, vice-president, and Helen M. Gilligan, secretary.

Presentation of watches to the 1960 new members will be by R. O. Tibbals, local works manager.

The Abominable Snowman of the Himalayas was first reported by Col. Howard Bury in 1921. Bury, leader of a Mount Everest reconnaissance party, said he came across a track that "looked like a human foot."

Santa's Local Secretary Busy Answering Fan Mail

In bold black print, in unimpeachable and painstakingly carved-out words, letters to Santa Claus are making their appearance at the Quad-Cities postoffice.

And it's not a one-way correspondence, be sure, since letters to Santa are answered by his secretary who, fortunately, lives in this area.

The answer, on holy, mistle-thy-and-hell-wreathed note paper, comes to the young petitioners under postmark of Santa Claus, Ind. The postmark itself is a treasureable Yuletide memento.

Sometimes the parents are as surprised, and perhaps more so, than the small fry in receiving a direct answer from good old St. Nick through the Santa Claus postoffice.

Granite City Postmaster W. Theodore Overbeck turns over the letters — but only those of the well behaved and good kids — to Santa's correspondence secretary.

She carefully reads all, makes appropriate notes for Santa's guidance, and providing the name and address are eligible there's a reply.

Some Without Stamps Yearly at this time, stamped and unstamped letters addressed to Santa at the North Pole, become a part of the holiday mail.

In the main, they entreat good old St. Nicholas to make sure their names are on his gift list.

New Building In One Week Totals \$13,150

Six building permits with a total value of \$13,150 were issued within a week in Granite City by Building Inspector Earl Bloomquist and City Clerk A. L. Stevens.

The totals for the month now stand at \$8 permits valued at \$214,618.

The largest, recent permit, in the sum of \$250, went to Ward W. Wood to locate a house trailer on a vacant lot at 7711 Myrtle avenue.

Four commercial permits, including two for erection of advertising signs, also were issued in the week. Wolff Construction Co. obtained two permits for a new store in the annex to Bellemore Village shopping center, including \$800 to remodel the interior at 2206 Nameoki road for a paint store and the other, \$500 for a Sherwin-Williams advertising sign.

The other sign permit, in the amount of \$750, was issued for Alden's Mail Order store, 1906 State street; while the fourth commercial permit went to John Shipley, \$350 for locating the Tri-City Plumbing & Heating building at 22nd street and Madison avenue.

Two home improvement permits were issued—John Papp, \$200 to remodel and repair fire damage at 2501 East 25th street, and Lawrence McCarthy, \$1000 to add a room at 2723 Nameoki road.

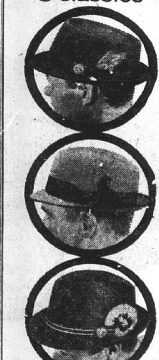

The week's only other permit went to Manfred Hochul to erect a \$600 garage at 4123 Braden avenue.

GC Magistrate Salary To Be Set By City Council

Setting of a salary for the office of city police magistrate will be discussed during a conference to be set up at the request of Alderman Casner Skubish, chairman of the Granite City council's Police committee.

Skubish asked Mayor Davis during Monday night's council session to arrange the conference as soon as possible since under new state law, the salary is to be set by the city by next Jan. 1. He asked for the committee, the mayor and city attorney to be present.

Under the present system, the police magistrate is a fee office, with the magistrate receiving the \$5 court costs and bond fees. The city pays the salary of the office secretary.

A change of state law is to place justices of the peace and police magistrates on salaries with justice of the peace districts to be set up within counties, eliminating township justices.

No date has yet been set for the salary conference.

County Officials To Be Inaugurated On Monday

The five men elected to Madison county offices on Nov. 5 will begin their four-year terms next Monday, Dec. 5.

Technically, all of them already have been sworn in for the 1960-61 terms, but several are expected to take part in a public inauguration ceremony at 2 p. m. Monday in the county courtroom in the courthouse at Edwardsville. The oaths of office again will be administered by Miss Eulalia Hotz, county clerk.

Those elected were State's Attorney Dick H. Mudge Jr. of Edwardsville, County Auditor John L. Kraynak of Granite City, Recorder of Deeds James F. Chapman of Collinsville and Dr. W. W. Billings of Alton, co-owner, all incumbents; and Willard V. Portell of Granite City, new clerk of the Madison county circuit court. All are Democrats.

Air Raid Precautions Cited: Civil Defense Day Dec. 7

The Granite City Civil Defense corps—an integral part of America's fourth arm of defense—will join with the Quad-City community next Wednesday in the observance and commemoration of National Civil Defense Day.

The day, Dec. 7, falls on the 19th anniversary of the Pearl Harbor disaster, and the theme of this year's observance is "Peace Through Preparedness."

Co-Directors George Schumacher and Victor Koenig and Mrs. Valerie Evenden and Theodore Todoff, deputy civil defense directors of the Granite City organization, today reminded all Quad-Cityans of the vital need for swift warning for our civilian population in an attack emergency.

Pearl Harbor Lesson

"The lesson of Pearl Harbor," they asserted, "is that national disaster can stem from an inadequate warning system and incomplete public knowledge of warning signals."

"Inadequate public knowledge of the warning signals is being overcome by public information

and education at all levels of government.

"Wallet cards and pamphlets that explain the warning signals are available free at the local Civil Defense office on the second floor of the city hall building."

"These cards tell the public that a steady siren blast of 3 to 5 minutes means 'Attack probable—take action as indicated by local government.'"

"A wailing tone or short blast for 3 minutes means 'Attack imminent—take cover immediately in best available shelter.'"

The directors emphasized that knowledge of warning signals is one of five fundamentals of effective civil defense.

The others are, they enumerated:

- (1) Know your community plan for emergency action.
- (2) Know first aid, which is valuable for everyday living as well.
- (3) Know how to use CONE-RAD. In an emergency, turn to 640 or 1240 on your radio dial for local official instructions and information.
- (4) Know fall-out protective measures.
- (5) Plan your home shelter.
- (6) Obtain from your Granite City Civil Defense office a copy of "The Family Fall-out Shelter" booklet.

"If we wait until the sirens sound to prepare, it could be too late," they cautioned.

Seminar Held Monday

Better to inform, educate and publicize the work of the Granite City organization, the deputy directors held a discussion-forum and question-answer seminar Monday night at the meeting of the Parent-Teacher association at Coolidge junior high school.

At that time, range of questions, answers and discussions covered matters of pupil action in the event of an air raid alarm; the dangers of fallout; how the younger generation can work with Civil Defense; if evacuation is ordered, where one goes; how a pupil can get home if the streets are all one-way, leading out-of-town.

Granite City's civil defense organization, the directors said, hopes and intends to stimulate thoughts "on the most vital questions concerning measures which may one day ensure your family's chances of survival."

Proclamations, at municipal, state and levels setting aside Dec. 7 at Civil Defense Day are being issued.

2 Truant Boys Returned To School By Police

Two boys, reported to be truant and loitering in a residential garage in the 700 block of 26th street in North Grand, were returned to the W. W. Jones junior high school by police on Monday.

Police were summoned to the garage by a resident of the neighborhood who said the two boys were in a garage at the rear of a home and appeared to be starting a fire. There was no fire, according to the report.

GC Relief, Town Bills — \$4148

Relief and town fund disbursements approved Monday night by Granite City council members in their capacity as the town board totaled \$4148, of which \$2086 was for relief and \$1162 for town purposes.

Relief disbursements included \$1644 for food, \$274 for medical care, \$3 for clothing, \$146 for room and board, \$12 for rent, \$382 paid to East St. Louis township for relief, \$4328 half-month salaries and retirement payments for three office employees, \$18 case-worker travel, \$49 for office utilities, \$35 for typewriter service and repair and \$3 paid to the fire department for recharging an extinguisher at the office.

Town fund expenditures consisted of \$700 for officials' salaries, \$41 for supervisor's travel, \$50 for assessor's travel, \$20 per diem for the town clerk, \$80 of expenses for allowances for three justices of the peace, \$38 for telephone service, \$130 for police salaries, \$20 for fire department, \$35 for typewriter service and repair, and \$20 for office supplies for the assessor.

School Stop, Street Lights Ok'd By Council

Installation of a school stop sign on East 23rd street in front of the East 23rd street school building was approved Monday night by Granite City council members, who also adopted a resolution for installation of four additional street lights.

The new stop sign to control traffic in both directions on East 23rd street will be in operation from 7:30 to 8:30 a.m., 11:15 a.m. to 12:30 p.m. and from 2:35 to 3:15 p.m. Violators will be subject to fines of \$5 to \$25.

The new street lights are to be at the following locations: 2814 Emme street, 2719 West 22nd street, 24th street and Washington avenue and at 2636 Edison avenue.

Charter Sought For New Frohardt PTA Cub Pack

Columbia Mound Boy Scout Council officials reported this week that the Frohardt grade school Parent-Teacher Association has applied for a charter for a new scouting unit, Cub Pack 24.

Thirty-three boys are to be listed on the charter, and the leadership includes Tom Oram as institutional representative; Gilbert Watson, Irvin Nicol, Phil Phelps, Homer Thurau, Gerald Kent, Glen Hollis, Raymond Ridge, Robert Conway, Joseph Loftus and David Talley, committee members; Harold Bone, cubmaster; and Mesdames Iris Watson, Doris Nicol, Alvin Thurau, Lorne Tinker and Marie Phelps, den mothers.

A survey is being taken at the school to determine the need for a second Boy Scout troop. There are now 100 cub scouts registered in two packs sponsored by the PTA.

Crash On Madison Ave.

Two autos traveling in opposite directions on 20th street and making turns to go north on Madison avenue were involved in a collision Tuesday afternoon. Police identified the drivers as Wilson Legate, 41, of 3223 Fehling road, who was making a right turn, and Larry Finn, 17, of 2132 Lee avenue who was making a left turn. No injuries were listed.

Weed, Grass Fire

A weed and grass fire was extinguished about 5:45 p.m. Tuesday at the home of John Luckert, 2439 Woodlawn avenue. Firemen from the Namecki road station answered the alarm. No loss was reported.

Hill Honored As Year's Outstanding Layman

Bruce W. Hill, a former Madison resident and former choir director of the Madison First Presbyterian Church, has been presented with a trophy naming him as the "outstanding layman of 1960" in Christian churches of the state of Florida, it was learned here this week.

A resident of Miami, Fla., Hill received the large trophy at a presentation ceremony held this fall in Silver Springs, Fla. He is the son of Mr. and Mrs. R. J. Hill sr. of Madison.

President of the Miami chapter of the Gileads Society, he has traveled extensively in Florida, giving religious messages from the pulpit and by song in churches of all denominations. He is employed as deputy tax assessor of the city of Miami.

Only One In Each 100 Students Able To Write Correct Themes

No inference can or should be drawn in regard to specific areas or schools but tests administered to 450,000 high school students from all parts of the United States have shown "shocking" results. The quoted word is that of Dr. William A. Gorham, who supervised administration of the tests.

Only one student in 100, on the average, can write a five-minute theme without making mistakes in English, it was determined during a two-day battery of tests conducted as part of Project Talent, first national census of aptitudes and abilities. The sponsor is the University of Pittsburgh, which has the cooperation of the U. S. Office of Education, National Institute of Mental Health and the Office of Naval Research.

Dr. Gorham noted that in spite of technical errors, themes written on "An Ideal Occupation" are providing information on the students' attitudes, values and plans, and how they choose their life work. Another objective is to develop a counseling guide indicating patterns of aptitudes and proficiency that would predict success in various careers.

The errors cited raise a question about the adequacy of current preparation for careers, since ability to convey messages and thoughts concisely and accurately is a major factor in job success. The score of only one out of 100 underlines the need for more emphasis nationally on this weakness.

Detailed Records Necessary To Substantiate Income Tax Returns

With the year in its final month, thoughts inevitably turn to income taxes, because most people pay them on a calendar year basis. Several months are allowed for filing of returns, but any change in individuals' and families' methods of keeping financial records should begin with the new year in January.

More detailed records seem advisable in the future, for the government has reported that it will check returns more closely, particularly those with itemized personal deductions. Higher returns also are subject to examination and a request for substantiation, so it is a good idea to keep pertinent records and receipts on contributions, interest charges, taxes, medical costs and other expenditures.

Tax "chiseling" is not recommended, but it is necessary to take advantage of all legitimate deductions to avoid paying an unfairly high share of the federal taxes. Avoiding taxes is one thing; evading taxes is something else.

United Fund Aid Extended To Field Of Medical Research

A \$5491 grant from the health service division marks the first use of local United Fund contributions in the field of medical research. Funds spent previously to combat the leading fatal and disabling diseases went primarily for equipment and patient care. This new phase of United Fund effort is important, for the proverbial "cure of prevention"

is better than the pain, worry and financial loss from illness, even if it is cured.

Announcement of the research program again emphasizes the logic of giving to the United Fund, a fact already recognized by Quad-Cityans with two consecutive "over the top" fund drives.

Feed The Winter Song Birds

A pleasant Christmas custom of old world North countries is that of providing special treats for the winter song birds.

In rural areas in particular, the practice is being adopted in residential neighborhoods where homeowners make sure that the songbirds are not forgotten in the swell and sweep of the glad season of goodwill.

Sheaves of grain are set out on poles in protected, backyard areas, and other Yule delicacies are given the song birds.

In rural areas in particular, the practice is being adopted in residential neighborhoods where homeowners make sure that the songbirds are not forgotten in the swell and sweep of the glad season of goodwill.

Many Quad-Cityans have special feeder stations for the winter birds, and are richly rewarded in their communion with the winter-time sojourners. As an added flip, special treats of grains, of suet and of seeds are set out at Christmas time.

It is a pleasant custom, and one recommended to all who wish to enjoy the flash and chattering of the guests.

Of course, some of the more noisome starlings and sparrows, too, are the beneficiaries of the special Christmas treats, but this is the time of year for giving, and they, too, may well repay the special outpourings of the holidays in their own chirpings, chattering and hearty notes.

Feed the winter song birds.

Strict Driver License Policy

Deserves Continued Support

Election of Charles F. Carpenter to a third term as Illinois secretary of state is interesting in view of his stern policy of penalizing drivers whose arrest and accident records label them as dangerous. Instead of losing votes from those angered by loss of driving privileges, he ran well ahead of all other candidates of his party and was the only one to win a state office.

Not coincidentally, the number of fatalities on Illinois streets and highways has fallen in each of the last several years despite a rising death toll nationally. Carpenter credits a strengthened driver license law and his staff's efforts at "vigorous and fair enforcement," but also praises the cooperation of police throughout the state. "Our license law is designed to get dangerous drivers off the road, but it rests on the foundation of arrests for traffic law violations and convictions for those violations," he comments.

Criticism of the strict program is not surprising, for the inconvenience of a license suspension or revocation is considerable. But from the standpoint of the potential victims of careless or unskilled driving, the state's license program and its enforcement are deserving of continued public support.

Making money easy is the hard way.

DETERIORATION in a 72-inch sewer along Iowa street near 20th street is shown in this photo taken by the engineering firm of Sheppard, Morgan & Schwaab. The sewer pipe was poured in place and much of the concrete has been worn away. The lines are being inspected in connection with city planning for a master sewer and drainage system.

SEDIMENT has built up in a main trunk line where a hand is made in the line of 23rd and Iowa streets. The inspection, recently completed, disclosed several other bad spots in the sewer system where repairs are needed, including the place where repairs were started two weeks ago at 20th and Omaha streets following a break in the line.

RUSHING SEWAGE is shown at the old pump station located on Iowa street near 20th street. The engineer reported the sewer system at this location to be in top condition.

Sewer Inspection Required Rubber Raft, Field Phones

Of men who go down to the sea in ships, much has been written.

But a new version was written recently in Granite City when a group of engineers went down into the sewers in a rubber life raft.

The yellow, rubber life raft was put into use during the final stages of the city's sewer inspection in connection with the overall survey for the proposed master sewer and drainage program.

Engineer Edward Juneau of the firm of Sheppard, Morgan and Schwaab said it was necessary for his crew to borrow large sewer fans from the city street department as well as field telephones from the Granite City Engineer Depot in order to make the inspection.

The life raft was needed when the larger trunk lines were toured at a point after outlets from the city's industries entered the city lines.

The rushing water made it impossible for an engineer wearing waist-high waders to keep his footing, so the war surplus raft and pump were lowered through manholes, and the inspection made either by riding the raft or holding on to it. At one point the raft was kept afloat with a rope, so the crew would not be washed into a pump station — located on the grounds at the Granite City Engineer Depot.

REPAIRS WERE COMPLETED recently at this manhole on 18th street between Cleveland and Delmar avenues where bricks had fallen and the street threatened to cave in. The bad spot was discovered during the engineering inspection of the city sewers.

Collapsed walls in a manhole on 18th street between Cleveland and Delmar avenues at an alley entrance were discovered during the inspection. Upon receiving the report, the city carried out necessary repairs to prevent a street cave-in.

The engineer told city officials there were at least two other locations where bricks were discovered, and one of them at 20th and Omaha streets also was repaired.

With the sewer inspection completed, the engineering firm is completing its topographic survey of 680 acres of fringe area, included in the surface water runoff for the city's drainage program.

This phase of the survey is nearing completion. The overall study, being carried out under a \$120,000 federal grant, is to be finished by the first of the year and turned over to the Citizens' Master Sewer and Drainage Committee for presentation to the city council.

Postmasters' Suggestions For Christmas Mailings

Postmasters Theodore Overbeck of Granite City, Harry Johnson of Madison, and Jim Simmons of Venice said today, "It's later than you think! Let's not wait until mid-December to get our Christmas cards and gifts in the mails. By taking action now, you'll avoid disappointing friends and loved ones at Christmas time."

"We ask your special cooperation in being sure that your return address and the recipients address is plainly typed or written on all labels and Christmas cards. Use zone numbers, and send your Christmas cards by first class mail so that you can include handwritten messages,

making your Christmas greetings more personal.

"Also, you'll be certain that they'll be delivered promptly and forwarded or returned, if necessary. Mail your Christmas cards in two bundles, using free labels that you can get at the post office, which read, "ALL FOR LOCAL DELIVERY" and "ALL FOR OUT OF TOWN DELIVERY."

The postmasters ask the cooperation of all business firms to delay mailing circulars and catalogs until after Dec. 25, to keep the mails clear for the Christmas rush.

"Mail your Christmas cards and gifts for out-of-town destinations by Dec. 10. Those for nearby points should be mailed by Dec. 15, or at least a week before Christmas," the postmaster advise.

Granite City PRESS-RECORD

Page 38 Thurs., Dec. 1, 1960

Bernard, Associates In New Law Offices

Assistant State's Attorney Joseph R. Davidson and Attorney James E. Gorman today announced that their law offices have been moved from 1925 Edison avenue to the State Loan and Savings Association Building, Niedringhaus and Edison avenues.

The move was effective today. The attorneys' offices in the Edwardsville National Bank Building will be continued.

Bernard, who maintains a private law practice in addition to his duties as assistant state's attorney of Madison county, has been associated for some time with Davidson and Gorman in the offices at Granite City and Edwardsville.

Davidson, who resides in Olivette, Mo., graduated with a bachelor of arts degree in 1953 at Westminster College, Fulton, Mo., where he held offices in the Sigma Chi fraternity. He then served in the Army for two years, including 15 months in Salzburg, Austria.

Resuming his studies, Davidson attended the Washington University law school, where he was a member of the Phi Delta Phi legal fraternity and received the degree of bachelor of laws in 1958.

Gorman, an Edwardsville resident, received the degree of bachelor of arts in 1952 from St. Ambrose College, Davenport, Ia., and bachelor of laws in 1955 from the University of Illinois School of Law, where he was a class officer. Born in Berwyn, Ill., he was associated until the fall of 1959 with the law firm of Hersh, Royer and Voelker in Peoria.

A veteran of two years' service with the Army intelligence staff in Europe, Gorman is a member of Phi Delta Phi and the Knights of Columbus. All three attorneys are members of numerous law associations, including the Illinois Bar Association.

Son Born To Wayne Robinsons

Mr. and Mrs. Wayne Robinson, 2232a East 25th street, are announcing the birth of their first child, Monday evening at Jewish Hospital, St. Louis. The new arrival, whose weight was seven pounds, 15 ounces, has been named William Jeffrey. Mrs. Robinson is the former Mary Eleanor Copeland, a daughter of Mr. and Mrs. Richard Copeland, 2070 State street. She is a graduate of Jewish Hospital School of Nursing.

INSPECTION OF HOSPITAL WING was featured this week as the addition to St. Elizabeth Hospital was dedicated. A public program was held Sunday, with religious ceremonies on Tuesday. This view shows a visit to the solarium on the top floor, which is to be occupied by the Sisters of Divine Providence.

City Bills, Salaries Total \$56,597

City bills and half-month salaries approved Monday night by Granite City council members totaled \$56,597, of which \$35,599 was for salaries and \$20,738 for a week's bills.

Among the bills were several final payments on construction of the city's new fire station and for completion of a sewer break repair project at 20th and Omaha streets.

Final payments on the fire house amounted to \$5454 to R. Dron Electrical Co., \$1887 to Marquy Plumbing & Heating Co., Inc., and \$104 to Gabriel-DuRoi, architects. The final payment on the sewer break was \$2814, paid to General Contracting Co.

Cost of maintaining and fueling city equipment totaled \$727 during the past week, and other bills were \$926 paid to Midwest Black Top Roads, Inc. for asphalt and road oil; \$380 to Granite City Real Estate Board for appraisals of two sites for downtown metered parking lots; \$50 to John Becker for tending the furnace at the old 39th street fire house during November for the civil defense unit and \$341 to Joseph Kiskadee for concrete blocks for the new animal shelter building.

Expense allowances on the bill list were \$50 for Civil Defense Director Victor Koenig, \$30 for Alderman Steve Basrich, \$30 for Alderman Walter Norn, \$30 for Alderman Paul Rutledge and \$30 for Alderman Robert Gaughan.

Guest DJ At Moose Teens Dance Sunday

A guest disc jockey will be the master of ceremonies at the Sunday night Teen Town dancing party at the Moose club, 1900a State street.

Dancing to recorded music will be from 8 to 9 p. m., and is open, for a small fee, to all Quad-Cities young people from 13 to 19.

Sponsored by Moose Lodge 272, the Teen-Town party is a weekly event, and Mr. and Mrs. Joseph Jackovich are the chairmen.

Sunday's guest will be Bob Baker of Station WAMB, East St. Louis.

Mrs. Jackovich said today the 25 cents admission charge goes toward the purchase of new recordings of popular tunes and current hits. The party is patterned on the American Bandstand format.

Speeding Ticket

Donald G. Rowe, 27, of 2560 North street, was issued an arrest ticket on Monday at Pontoon road and Role avenue by Granite City police who charged him with speeding. He posted his driver's license as bond.

GC Kiwanis Yule Party On Dec. 19

Granite City Kiwanians and their wives will attend the service club's Christmas dinner, Dec. 19, at the Elks Lodge.

Date of the yearly Yule party was announced Monday night at the Kiwanis club's meeting at the Elks lodge.

Consideration of business matters and reception of reports on November activities made up the post-dinner agenda.

Numbers of Granite City Kiwanians attended a recent inter-club dinner at Collinsville in a special tribute to the organization's district lieutenant governor, Ben Thompson, Collinsville, it was announced.

Member Of Well-Known Venice Family Dies

Paul Norwine, 50, member of a family formerly residing in Venice and well-known in the Quad-Cities, died suddenly Monday while at work at Gary, Heberton street, Granite City.

The Norwine family moved from Venice about a quarter-century ago. Jesse Norwine, the father now of Chicago, was a one-time officer on the Venice police force.

Other survivors include the deceased's wife, Mary, and a sister, Mrs. Robert Martin, 2423 Benton street, Granite City. Funeral services and burial were to be held today at Gary.

Psychologist Added To Staff Of Local Clinic

Dewey L. Mathews has been added to the staff of the mental health clinic in Granite City as clinical psychologist, it was announced today.

Addition of Mathews in a part-time capacity increases the clinic's staff to four, including a receptionist, a part-time psychiatrist and a full-time psychiatric social worker.

Mathews, a St. Louis resident, is currently a candidate for the degree of doctor of philosophy in psychology at Washington University, St. Louis. He also is working part-time at the St. Louis hospital within several months, he is to join the Madison county clinic staff on a full-time basis.

Opened a year ago, the Granite City clinic is one of two established in Madison county by the state and the Madison County Mental Health Society. The addition of a psychologist will increase the number of outpatients that can be counseled.

License Revocation, Permit Are Announced

The driving license of John Lowe, 1120 Meridian street, has been revoked for conviction of driving while under the influence of alcohol, Illinois Secretary of State Charles F. Carpenter has announced.

A probationary driving permit has been issued to Colin D. Henne of the 1500 block of Lindell blvd.

LEGAL NOTICES

ORDINANCE No. 1949 An Ordinance Relating to School Crossing Signals

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS:

Section 1: School crossing signals shall be erected at such locations as may be deemed necessary for the safety and protection of pedestrians. If such locations are on streets or highways under the jurisdiction of the State of Illinois, and the Department of Public Works and Buildings, the erection of such signals shall be subject to the approval of said department.

Section 2: Definition.—School Crossing Signal. A permanent mounted electrically operated signal device equipped with two-way, two-colored (red and yellow) signal heads, together with a standard sign reading "School Crossing Ahead" which, at predetermined times and when actuated by push-button, traffic is directed to stop so as to permit school children to cross the street or highway safely.

Section 3: Whenever the red light of a school crossing signal is illuminated by rapid intermittent flashes, drivers of vehicles shall stop before entering the nearest crosswalk at an intersection or at a limit line when marked or, if none, before entering the intersection and pedestrians within any crosswalk at either edge of the roadway shall have the right-of-way over vehicles stopped. Drivers of vehicles having so yielded the right-of-way to pedestrians entering or within the nearest crosswalk at an intersection may proceed, but shall also yield the right-of-way to pedestrians within any crosswalk at the intersection. If in the event a school crossing signal is erected and maintained at a place other than an intersection, the provisions of this section also shall be applicable, except as to provisions which by their nature can have no application.

Section 4: That any person violating Section 3 shall be subject to a fine of not less than One (\$1.00) Dollar and not to exceed One Hundred (\$100.00) Dollars.

PASSED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, this 7th day of November, 1960.

CHURCH NURSERY BEING IMPROVED

Title for the nursery of the First Methodist Church of Madison was purchased by the members of the Joy Sunday school class of the church. The men of the class are working at the church this week and will install the title, which was financed from proceeds of fudge candy sold by the class at a recent church supper.

A monthly meeting of the class was held Monday evening at the church with the president, Mrs. Lorraine Creighton, in charge.

Plans were made for the class Christmas party to be held Dec. 22 at the parsonage home of Rev. Russell Oden. An exchange of inexpensive gifts will be held during the social part of the evening.

Those attending the meeting were Mr. and Mrs. Wesley Clemmons, Mr. and Mrs. Louis Creighton and daughter, Carol, Mr. and Mrs. Robert Graves, Mrs. Albert Robinson, Mrs. Catherine Oden and daughter, Gladys, Mrs. Betty Ballentine, Rev. Oden and a guest, Mrs. Sunshine Scroggs, and the class teacher, Mrs. Estelle McBrien.

Jim and Larry Ashley, sons of Mrs. Dortha Ashley, were at their home, 1737 Third street, for the Thanksgiving holidays from the University of Illinois, where both are students. They returned to school Sunday evening.

MISSION STUDY BOOK TAUGHT TO SOCIETY

"Across the Bridge" was the mission study book taught to members of the Women's Missionary Society of the First Baptist Church Monday evening at the group gathered in the educational building of the church.

The book was taught by Mrs. Rosalee Jones of the Calvary Baptist Church of Granite City. Two films in keeping with the book study on Latin America were shown by Harold Ratliff on "World Evangelism in Latin America" and "Challenge of Latin America."

The mission chairman, Mrs. Pat Kinsley, was in charge of the program. She introduced the guest speaker and teacher for the book study.

Various articles from Mexico were on display for the ladies to see and study. Part of the articles were brought for the display by the teacher, while others were brought by members of the society.

At the conclusion of the meeting, the group took a mythical airplane ride while Mexican food was served from trays, using place mats of Latin American neighbors, with South American napkins.

The Mexican food was prepared by Mrs. Naomi James and Mrs. Doris Hargrave and was served with the assistance of Mrs. Lillian, Mrs. Hargrave and Mrs. Treva Williams and Mrs. Mary Lussen.

Those enjoying the occasion were Mrs. Georgia Brown, Mrs. Birdie Hobbs, Mrs. Ora James, Mrs. Pearl Johnson, Mrs. Eula Lively, Mrs. Ozell Walton, Mrs. Bessie Peck, Mrs. Velma Rideout, Mrs. Geraldine Stein, Mrs. Jewell Ratliff, Mrs. Ruth Hankehrick, Mrs. Treva Williams, Mrs. Lussen, Mrs. Hargrave and Mrs. James.

Crossing Gate Broken In Auto Accident

A railroad crossing gate was broken off Tuesday afternoon in a traffic accident on 22nd street as one driver missed his brake, crashed into a halted station wagon and knocked it through the gate.

Luckily, the passing train was some distance from the crossing gate.

Blake L. Rutland, 47, of 2124 Lee avenue, told police he was traveling west when he proceeded to stop his car and missed the brake. His auto struck the rear of the station wagon of Alderman Donald Farney, 43, of 2213 Dewey avenue, knocking it through the lowered crossing gate.

No injuries were listed.

Recovering From Surgery

Mrs. Walter H. Francis, 2704 State street, is recovering at St. Elizabeth Hospital where she underwent major surgery Tuesday.

She is expected to remain in the hospital for several weeks.

BELL RINGING CHOIR FOR BOYS

A bell ringing choir is being formed by young boys of the First Presbyterian Church of Madison.

Bob Fouts, Bob Clinton, Kil Gitch, Allen Dean, George Wilkerson, James Mersinger Jr., Jeffrey Graville and Billy Noud met at the home of Mrs. Marion Lomberger, 1543 Third street, Monday evening.

Mrs. Charles Rafels of St. Louis, who is director of the Blue Bells in St. Louis, brought the bells with her to give the boys bell-ringing lessons. The group will meet at the home of Mrs. Rafels Sunday for another lesson. English hand bells for the boys will be available in the future.

HEAVY ROAD BUILDING EQUIPMENT moving through the mud south of Madison and adjacent to U. S. Highway 67a, where a new Federal Aid 70 roadway is under construction. The huge scraper (left) is pushed by a bulldozer when scooping dirt.

Thweatt Hearing Reset For Dec. 29th

A hearing set Tuesday for Terry Thweatt, 32-year-old ex-convict residing on Chouteau Slough road, was continued to Dec. 29 by Police Magistrate Gasparovic and Thweatt continues on a \$600 property bond.

He was arrested Nov. 15 by county authorities on a warrant filed by Mrs. Mildred Muzarelli, proprietor of a Granite City tavern who charged him with assault, disorderly conduct and furnishing a weapon—a gun.

GC Firemen Douse Blaze Threatening Frame Garage

Quick response by firemen from the main station saved a frame garage at the home of George Lynch, 2530 Edison avenue, about 1:15 p.m. yesterday.

A rubbish fire had spread to the garage and had blistered the paint when firemen appeared on the scene.

Guest Speaker

Rev. Andrew J. Smith, retiring pastor of the Oakville Southern Baptist Church, St. Louis, will be guest speaker at the Sunday evening service at Trinity Tabernacle, 2001 Sixth street.

Madison, according to an announcement by the pastor, Rev. C. M. O'Guin.

Mary Sherman Bubbling Bath Oil

When you step in your beauty bath, you are immediately bathed in fragrance! Tired nerves are relaxed, muscles are soothed, strained facial lines disappear — you emerge from your Bubble Bath refreshed and invigorated! You actually feel younger because the soothing oils tend to rejuvenate your skin, to make you look younger, too.

You'll delight in using Mary Sherman Bubbling Bath Oil because the bubbles do not disappear before you can enjoy them. They last through your entire bath for that luxurious feeling.

There are four "Jewels of Fragrance" from which to choose:

PERIDOT—the magic allure of dew-drenched gardenias to weave a spell of enchantment around you.

ZIRCON—the delicate heavenly scent of floral fragrances.

GARNET—this sugar and spice combination is captivating and exhilarating.

TURQUOISE—a tangy, bracing scent of pine woods to refresh and relax you.

And now the crowning joy of using Mary Sherman Bubbling Bath Oil — it prevents any ring from remaining in the bath tub.
